About the Institution

Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, situated in Udupi district, has been at the forefront of providing quality higher education in the coastal Karnataka region. The institute, with roots dating back 700 years to the esteemed Shri Sode Vadiraj Mutt, takes pride in its commitment to excellence by offering a conducive learning environment and consistently updating the facilities to align with the latest trends and developments. SMVITM is affiliated to Visvesvaraya Technological University, Belagavi; approved by AICTE, New Delhi; and recognized by the Government of Karnataka. The institution is a pioneer in technical education, with NAAC accreditation and programmes with NBA accreditation. SMVITM offers a Bachelor programme in Computer Science & Engineering, Electronics & Communication Engineering, Artificial Intelligence and Data Science, Artificial Intelligence and Machine Learning, Mechanical Engineering, and MBA in Marketing, Finance and Human Resources. The institute is a certified member of professional societies like IEEE and ISTE. Despite its rural location, SMVITM has made remarkable strides in its journey towards excellence with distinguished learning-centric facilities and an emphasis on staying abreast of the latest industrial trends and academic practices.

Call for Papers

We invite authors to contribute to the conference by submitting their original articles that showcase research findings, projects, survey works, and industrial experiences illustrating significant advancements in various areas. All the submissions must have plagiarism below 15% and will undergo blind review process. The template for full length paper submission is provided at the conference website. All the accepted and presented papers will be sent for possible inclusion in Springer AER.
