ABOUT THE INSTITUTE

Established in the year 2010, under the aegis of Shri Sode Vadiraja Mutt Education Trust, Udupi, Shri Madhwa Vadiraja Institute of Technology & Management (SMVITM) has emerged as a promising institution in the region.

With its highly motivated and qualified faculty, excellent infrastructure and distinctive learner-centric facilities, the institute has already become the most sought after engineering institute in the region.

Adding a feather to its cap, SMVITM, which is celebrating its decennial year in 2020, was recently accredited by NAAC with A-grade, which certifies the quality of education offered in the institute.

Admiring the objective of providing valued-added and holistic engineering education to the needy students of rural belt at affordable cost, former President Dr. A P J Abdul Kalam made a prestigious visit to the college in 2014, and interacted with the students.

ABOUT THE VIRTUAL CONFERENCE

The primary objective of ICETSE-2020 is to bring together expert researchers from academia, R&D centres and industries, who are working in the emerging fields of science and engineering, and provide them a platform to interact and share their research findings.
