

Themes

- Structural Behavior of Materials.
- Geotechnical Engineering.
- Environmental management & Pollution Control.
- Hydrology, Water Resources and Irrigation engineering.
- Transportation Engineering.
- GIS and remote sensing.
- Construction management.
- Green building and sustainable development in Civil Engineering.
- Finite element analysis.
- Corrosion, Wear and Tribology
- Heat Treatment and Surface Engineering.
- High temperature & Cryogenic Materials.
- Additive Manufacturing.
- Green Manufacturing and Industry 4.0.
- Micro Machining.
- Green chemistry and renewable energy sources.
- Nanomaterials and Nanotechnology.
- Polymers and composite materials.
- Advanced battery materials.
- Internal combustion engines.
- Renewable energy sources.
- Alternate fuels for IC engines.
- EV Battery Storage & Energy Management Systems.
- Energy Conservation and Energy Efficiency.

Call for Papers

Academicians, researchers and industry people are being invited to submit their original research papers previously unpublished, not currently under review by another conference or journal. All submissions will be subjected to at least two blind reviews. Acceptance will be based entirely on quality, relevance, and originality. The authors can send their Abstracts/Full paper(s) online. The template for submission is provided at the conference website. The decision of oral presentation will be strictly followed as per approval of technical review committee. All selected peer-reviewed research/review papers presented in the conference will be recommended for publication in our supporting publishing partners

Important Dates

Submission of Abstracts	May 15, 2024
Submission of Full length paper	August 15, 2024
Intimation of Acceptance	October 15, 2024
Early bird registration	October 30, 2024
Late Registration	November 15, 2024
Submission of camera ready papers	November 30, 2024
MEEMS-2024	December 20 & 21, 2024

Registration Fee

	Early Bird	Late
UG/PG/Research Scholar	₹2000	₹2500
Academicians	₹2500	₹3000
Industry	₹4500	₹5000
Foreign Nationals	\$80	\$100

MEEMS - 2024

**December
20 & 21,
2024**

About the Institution

Established in the year 2010, under the aegis of Shri Sode Vadiraja Mutt Education Trust, Udupi, Shri Madhwa Vadiraja Institute of Technology & Management (SMVITM) has emerged as a promising institution in the region. With its highly motivated and qualified faculty, excellent infrastructure and distinctive learner-centric facilities, the institute has become the most sought after engineering institute in the region. Adding a feather to its cap, SMVITM, was accredited by NAAC with A-grade.

Admiring the objective of providing valued-added and holistic engineering education to the needy students of rural belt at affordable cost, former President Dr. APJ Abdul Kalam made a prestigious visit to the college in 2014, and interacted with the students. Many other eminent personalities too have visited the college and appreciated its dedication towards education and research.

About the Conference

The International Conference on Materials, Energy, Environment & Manufacturing Sciences (MEEMS-2024) holds significant relevance in promoting sustainable practices, facilitating knowledge exchange, fostering collaborations and outreach activities. It focuses on various areas of Materials Engineering, technologies for harnessing energy sources and their utilization, environmental aspects and advances in manufacturing sciences. It emphasizes sustainable development and encourages multidisciplinary approaches to tackle challenges encountered in these areas. The conference offers networking opportunities, research dissemination and publication prospects in journals of international repute. Overall, the conference will play a crucial role in driving innovation and sustainability in Material, Energy, Environmental and Manufacturing Engineering, making it an important event for researchers and industry professionals. The conference will be held in hybrid mode, incorporating both virtual and in-person participation.

Conference Objectives

- It aims at exploring the new horizon on innovation from distinguished researchers from academia and industry to address new trends and challenges and emerging technologies.
- This event will be a platform to showcase and deliberate research work, studies and contribution consist of keynotes, Lectures given by eminent personalities.
- It provides a forum for sharing novel ideas and concepts and endeavor to examine the different dimensions for successfully implementing the fast changing and need of the hour technologies in the fields Physics, Chemistry, Civil and Mechanical Engineering.

Chief Patrons

His Holiness Shri Shri Vishwvallabha Theertha Swamiji
President, SSVMET, Udupi, Chairman, GC, SMVITM, Bantakal

Shri. P. Srinivas Thanry
Vice President, SSVMET, Udupi

Shri. Rathnakumar
Secretary, SSVMET, Udupi

Patrons

Dr. Thirumaleshwara Bhat
Principal, SMVITM, Bantakal

Dr. Ganesh Aithal
Vice Principal, SMVITM, Bantakal

Conference Chairs

Dr. Sudarshan Rao K, Dean (Quality Assurance), SMVITM

Dr. Raja Yateesh Yadav, HOD, Mechanical Engg, SMVITM

Dr. Deepika B V, HOD, Civil Engg, SMVITM,

Organising Chairs

Dr. Manjunatha S, Mechanical Engg, SMVITM, Bantakal

Mr. Sunil Haldankar, Civil Engg, SMVITM, Banatakal

Program Chairs

Dr. Subbulakshmi N Karanth, HOD, Chemistry, SMVITM

Dr. Madhukara Nayak, Mechanical Engg, SMVITM

Publication Chairs

Dr. Ravindra H J, HOD, Physics, SMVITM

Dr. Bharath K Bhat, Mechanical Engineering, SMVITM
