CIRCULAR

Attention: All Students of SMVITM

It is observed by the college administration that many students are bringing two-wheelers, driving recklessly on the highway/roads and come with triple riding. These are highly objectionable and not permitted, as per college norms. Students are once again warned not to drive motorized vehicles recklessly at high speed, that may lead to fatal accidents and injury to the public.

Students are once again advised not to use two-wheelers while coming to the college and requested to cooperate in maintaining safety and well being of the student community and people around.
