

## **Details of the papers presented in National Conferences**

1. Raja Yateesh Yadav, Dr.E.S.Prakash, J.Radhakrishna Murthy, "**Prediction of Thermally induced residual stresses during heat treatment of forged railway wheel**" *Proceedings of National conference on "Trends and Advances in Manufacturing Engineering" (TAME-2011), pp 131-134, 29-30 Sept 2011, P.E.S Institute of Technology, Bangalore*
2. Jimson John, Raja Yateesh Yadav, Ravindra Babu G, "**Study of Emission Characteristics of Four Stroke Diesel Engine using Biodiesel Extracted from Cotton Seed Oil**" *Proceedings of National conference on "Emerging Trends in Environment and Energy Management" (NCEEM-2013), pp 12-15, 18-19 Oct 2013, Shri Madhwa Vadiraja Institute of Technology & Management, Bantakal, Udupi Dist.*
