Organized by

Entrepreneurship Development Cell  
**SHRI MADHWA VADIRAJA INSTITUTE  
OF TECHNOLOGY & MANAGEMENT**  
Vishwothama Nagar, BANTAKAL, Udupi – 574 115

## ABOUT THE INSTITUTE

Established in the year 2010 under the aegis of Shri Sode Vadiraja Mutt Education Trust, Udupi, Shri Madhwa Vadiraja Institute of Technology and Management (SMVITM) has emerged as a promising institution with a distinction and has been in the pursuit of academic excellence in the field of engineering education right from its inception. The sole aim of the institute is to promote research activities of global standards and provide quality professional education in engineering to rural students at affordable costs and thereby ensuring the up-lift of the underprivileged.

Though still at its infancy, SMVITM has carved a niche for itself in the field of technical education in the Coastal Karnataka region. With its highly qualified and motivated faculty, state-of-the-art infrastructure and distinctive learning – centric facilities, the Institute has become one of the most sought after engineering institutes in this region. Currently, more than 1600 students are pursuing BE programmes in the four major disciplines at SMVITM: Civil Engineering, Computer Science Engineering, Electronics and Communication Engineering and Mechanical Engineering.

Admiring the very objective of SMVITM, Bantakal to provide holistic, value based education in the field of engineering to the students of the rural belt at affordable costs, Former President of India, Bharat Ratna Dr. A P J Abdul Kalam made a prestigious visit on 02 April 2014 and interacted with the students, which is really a great honor to this budding institution.

Owing to its exalted Vision, Mission and Objectives; commitment to the cause of education and remarkable accomplishments, SMVITM is consistently maintaining record admissions of more than 91 per cent of the intake for the last three years. Though the institution is still taking off, the achievements of its students, faculty and staff are many and commendable. The institute is growing fast, scaling greater heights by concentrating on excellence in education, research and promotion of placement & entrepreneurship through industry-academia tie-ups and value added programs. The management and the academic administration have been steadfast in their commitment to make SMVITM one of the best engineering institutes in South India in the very near future.
