Five Days Faculty Development Program on "Electric Vehicle and Smart Grid"

Department of Electronics and Communication Engineering and Mechanical Engineering in association with ISTE Faculty Chapter of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi organized a Five Days Faculty Development Program on "Electric Vehicle and Smart Grid" on 14th March 2022 at in the college premises. The inaguaral ceremony of the program held on Monday 14 March 2022 at 9.30am.

Dr. Gajanana anne, HoD of ME Dept. welcomed the august gathering. The Chief Guest of the program Dr. V.B Venkatesa Perumal, Professor, Dept. of Electrical and Electronics, NITK Surathkal. In his inaugural address said that, in the next 5 to 10 years India will see big change in the transportation segment ie., change in conventional IC engine vehicle to Electric Vehicle. Also he has urged that future engineers should be ready to cater the needs of end users. Especially future engineers have to focus more on maintenance of EV than R & D work, maintenance like battery recharging, replacement and giving solutions to the situations like vehicle breakdown etc., Mr. Esakki Raja S, Sr. Application Engineer in VI solutions, Bengaluru was the resource person of the five day faculty development. He appreciated the management for

conducting the sessions in blended mode and highlighted the importance of training the future engineers in the Electric Vehicle field. Sri. Rathnakumar, Secretary, Shri Sode Vadiraja Mutt Education Trust, Udupi graced the occasion and congratulated the departments for conducting the need of the hours topic for FDP. He also highlighted that due to the current war scenario crude oil per barrel cost will hike hence the optimum solution would be to switch to the EV.

Session on the occasion of "World Blood Donor Day"

As a part of Azadi ka Amrit Mahotsav, On the occasion of World Blood Donor Day, National Service Scheme (NSS), Youth Red Cross Wing and Rotaract Club of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi, organized a talk on "Donating blood is an act of Solidarity-Join the effort and save lives" on Thursday, 16 June 2022 in the institute premises. Dr. Vinu Rajendran, Senior Resident, Kasturba Hospital Blood Centre, Manipal was the resource person.

Dr. Vinu Rajendran started his presentation by briefing the importance of the day and mentioned the slogan of the year "Donating blood is an act of Solidarity-Join the effort and save lives", to draw attention to the roles that voluntary blood donations play in saving lives and enhancing community solidarity. Also he said that it is to raise awareness of the need for safe blood and blood products for transfusion, and to thank blood donors for their voluntary, lifesaving gifts of blood.

In his presentation he said that the need for the blood is universal, but its access for all who need it is not. Blood shortages are mainly acute in low and middle income countries leading to deaths. Also, he mentioned that blood donation is an expression of unconditional kindness and compassion. The importance of blood donation should be inculcated in schools and colleges. It is one of the noblest and easiest good jobs anyone can do. "People should pledge to donate blood four times a year and experience the happiness of saving up to 12 lives," he added.

Dr.Thirumaleshwara Bhat, Principal; Dr.Ganesh Aithal Vice Principal;

conveyed their best wishes to the program. Ms. Sameeksha Shetty welcomed the gathering and compeered the program. Ms. Nidhi Patkar introduced the guest and proposed vote of thanks. 'KARMIK' – A Tool to bridge Client and Migrant Construction labors amid pandemic

Migrant labors migrate to Udupi for socio-economic reasons. Many of them can't get job according to their skills due lack of information about requirements in construction field. This will keep them unemployed. In other word client also face same problem, they can't find labors according to their requirements. To bridge this gap and to develop better connection between client and labor we need a platform. The students of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal have developed a project "KARMIK" mobile application.

By surveying, collecting labor data and later by compiling it as a database, a mobile application is formed which includes data of construction labor such as his/her name, skills and phone number. This mobile application which will directly affect in improvement of construction labor status in and around Udupi region.

This project is developed by Harish Acharya, Omsree S Pai, Abdul Azeem the final year Civil engineering students of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, under the guidance of Roshan S Kotian.
