Entrepreneurship Development cell in association with the Institution's Innovation Council of SMVITM conducted a industry visit to Blackfrog Technologies, Maniapal on 12/08/2023 to the interested students of SMVITM.

Mr. Mayur Shetty, Chief Executive & Product Architect at his young age started this startup and transformed it in to a company.

Blackfrog Technologies produces a Portable temperature-regulated carrier for transport of biologicals. Blackfrog Tech has developed Emvólio- a patented rapid cooling technology for safe last-mile transport of vaccines, insulin, breast-milk, blood-serums, medications & specimens with minimal thermal shock. The product is eco friendly and compliant with IEC 60601 medical device standard.

The Students of SMVITM interacted with Mr. Prajwal V Kumar, Production Manager and motivated towards becoming an enterepreneur.

Dr. Madhukar Nayak and Mr. Vighnesh Shenoy, the faculty coodinators od ED Cell accompanied the students.
