Entrepreneurship Development cell of SMVITM has conducted a program on 17/10/2022 in institute premises to impart start up idea in young budding Engineers of SMVITM on the occasion of National Innovation day. Mr.C V Kamath Managing Director, VNP2S consulting LLP supporting start up, Bengaluru was the resource person.

Session started with the brief introduction to Sir CV Kamath. During the session Sir gave ideas about what are the good qualities that an entrepreneur should possess. Sir discussed about vision, how to build network, stress management skill, need of overcoming from the comfort zone, professional ethics, etc.. Sir has also focused on future status of startups.

Over the entire session sir briefed about current status on startup, entrepreneurship, innovation, leadership and what are the key success factors. Finally he suggested how to avoid chances of failure in startup.

Students were actively participated and presented the their ideas.
