Dear Mam,

Good morning.. I would like to thank you madam, Principal, for the support and cooperation. There are many students shortlisted from your institute; and we would like to schedule the batches accordingly.

- We would like to start the First and Second Batch from 6th June 2022 - 14th June 2022 (Monday to Friday) total 7 days session from 9 am to 5 pm
- The students should be regular and participate and interact with the Trainers who train the Professionals from the Industry
- From our End, Sonia Preema, Training Coordinator, MuleSoft Salesforce will be in touch with you and the students (Sonia Preema, MuleSoft Training Coordinator Phone No : 9740727043).
- Sonia will conduct interactive sessions with the students. In case any student is not able to make it, kindly inform us well in advance and we can replace him / her with other student
- It's Nice to have a Whatsapp group of these 21 students, it will be helpful to them communicate; These students are from SMVITM, Udupi
- Madam, Request you to kindly interact with the Departments and bring them on the same page regarding the essence of this program and improving the Quality of Officers and getting into the Skill based Recruitment. Faculty motivation and support play a crucial role along with your vision towards this.
- These students who were selected for this training can be considered for some sort of recognition at the Institute level "Walking an Extra Mile", so that they can attend the session without any problem
- After the 7 days Training programme, there will be a support session; which is after the class hours (for 12 days, 1 hour each)
- As per my discussion, I would like to invite faculty members (max 2) to join the batches, being a part of the process and later they too can be certified and be a part of the Faculty Enablement Program
- I am sure the Departments and HODs will collaborate with you in running this program. This is the first time we are running two batches from a University based on their performance.

Note : Students getting Selected, No of Batches, Students attending these Training sessions, Support sessions, Clearing the Support sessions, Placements are the Key metrics for the college for the Annual Performance tally in India

Santhosh Rebello <srebello@mulesoft.com>  
To: Placement Officer SMVITM <placement@sode-edu.in>

Dear Sir / Madam

Greetings from Salesforce MuleSoft. As mentioned earlier, we are launching the MuleSoft campus ambassador Program - Campus Mule across India to the Institutes who are part of the MuleSoft Academia Network - India (MANI). Since your Institute is one among them, I would like you to :

- Identify 5 student representatives and ask them to fill up this form, please consider the priority to Female candidates (As per Salesforce Equality program)
- We would like to finalize Two Campus Ambassadors / Campus Mules from your Institute based on their profile,
- As a Training & Placement head / Faculty SPOC, we value your opinion (individual student influence in the campus, his / her ability etc), you may send Two Top choices of candidates (which will be confidential)
- Ask the Candidate to Submit the Filled Forms by June 10th, 2022.
- Next round the students have to submit a 90 Seconds Video (which is a contest for the selection) - We will mail them directly, keeping you in loop.
- After this round we will select our CAMPUS MULES - MuleSoft Campus Ambassadors to your campus
- Please find the Registration Link : <https://forms.gle/ETfHybLnE4wWRAAA6>

### Become a Student Ambassador - CAMPUS MULE

Finding your community is more important than ever as classes and social activities take place virtually. Amplify your impact and bring together your peers to learn new skills, solve real-world problems, and build communities across the globe.

The Campus Mule program is an opportunity for students to act as liaisons between MuleSoft and Universities / Autonomous Institutions and other organizations. These Campus Mules:

- Learn about innovative MuleSoft Technology and programs
- Plan and host the events on campus
- As Single Point of Contact for students (SPOC) to contact MuleSoft University Program Team
- Help MuleSoft better understand each University / College culture.

### Best Features of Campus Ambassador Program : CAMPUS MULE

A Campus Mule may:

- Work closely with the University Program team of MuleSoft for enabling technology learning and application at the campus.
- Host and organize events to bring awareness about MuleSoft products and brands.
- Spread the word about competitions, training opportunities, Certifications and other events.
- Attend MuleSoft events in India as a MuleSoft Campus Ambassador representative as Campus Mule
- Build relationships on campus with faculty and student groups and continuous engagement on MuleSoft Technology promotion

- Test products and features, promotion of online / Self paced learning or Mulesoft course across the campus
- Promote product MuleSoft use and new product launches to students.
- Be a source of knowledge for your university about Salesforce - MuleSoft products.
- Spread MuleSoft goodwill to your fellow students.

Best Regards

**Santhosh Rebello**

## Activity Report on “MuleSoft IL Online training program”

Academic Year	2021-22
Name of the Program	MuleSoft IL Online training program
Date	6 <sup>th</sup> to 14 <sup>th</sup> June 2022 (Seven Days)
Target Audience	3 <sup>rd</sup> year students of CSE
Number of Participants	21

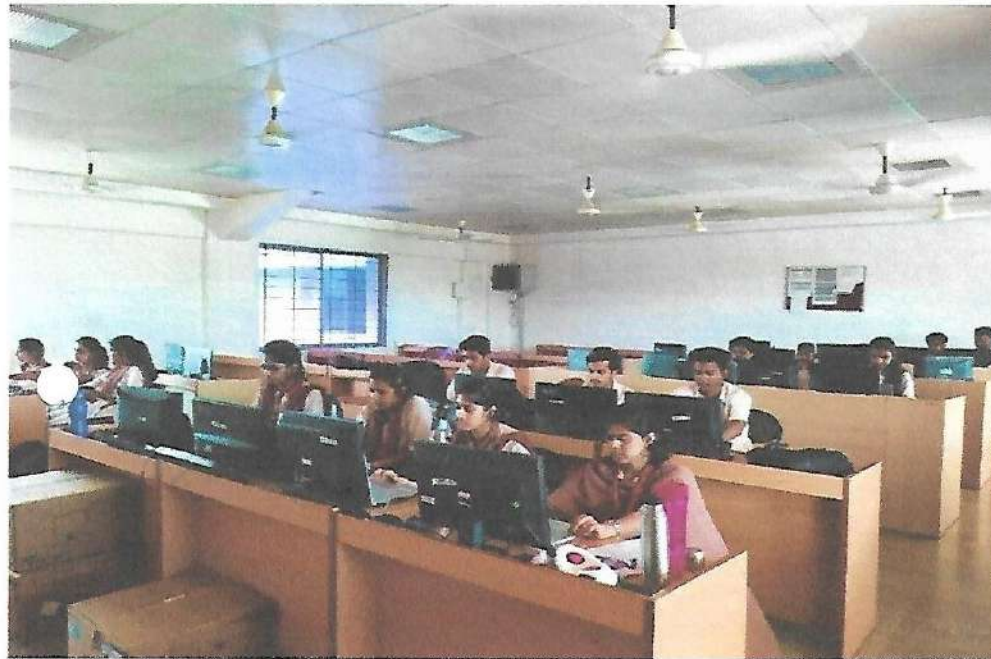

The Department of Computer Science and Engineering in collaboration with Training and Placement Department organized “MuleSoft IL Online training program” for the students of 3<sup>rd</sup> year CSE.

This course was arranged for students to get hands-on experience using Anypoint Platform to build APIs and integrations. In this phase of training, students used Anypoint Platform to discover, consume, design, build, deploy, manage, and govern APIs. This training was Online Instructor led program for seven days which included hands-on sessions. The sessions were monitored by faculty coordinators Ms. Dhanya Shenoy and Ms. Savitha A Shenoy.

Outcome: Students have learnt to build an application network using API-led connectivity and Anypoint Platform. And also five students have shown interest to be the Mulesoft Campus Ambassadors.
