Dear Sir

SUB: APPOINTMENT AS DEAN (RESEARCH & CONSULTANCY)

Ref: Discussion held with Hon Secretary on 28 September 2020

By the directions of our management, I am pleased to appoint you as Dean (Research & Consultancy) at Shri Madhwa Vadiraja Institute of Technology and Management w.e.f 07 October 2020 until further order. You will be relieved from the responsibility of HOD - Computer Science & Engineering and handover the duties and responsibilities of the department to Dr. Nagaraj Bhat on the same day. There is no additional incentive/wages for this post at present. However the management may consider sanctioning incentive/additional allowance in future based on your performance.

Following are the duties and responsibilities of Dean (Research & consultancy)

A. Promotion of Research Work:

1. To promote research culture in the Institution with necessary planning and taking suitable actions to meet the target
2. To identify opportunities for externally funded R&D projects, apply for funding, submit project proposals, follow up with the funding agencies, for securing sanction of projects
3. To identify R&D projects to be taken up with college funding
4. To prepare annual budget for the research activities
5. To submit quarterly report to Principal on the progress of R & D activities, status of sponsored research project proposals, and action proposed to meet the targeted performance
6. To identify infrastructure requirements for research work, prototype development, plan for procurement and installation of facilities in a phased manner.
7. To identify external facilities where part of research activities, prototype development can be carried out; enter into MoU with such organizations.

Principal

SHRI MADHWA VADIRAJA

INSTITUTE OF TECHNOLOGY & MANAGEMENT

8. To coordinate setting of yearly targets for research publications by the department faculty in national, international journals, major paper presentations in regional, national, and international conferences, regularly monitor the progress, and take steps, as required, for achievement of targets
9. To review the progress of research work in a timeframe and submission of all necessary information to the University as and when required.
10. To maintain data of paper presentation, paper publications, publication of books by the faculty members of the college along with the recognitions received from the researchers. Also hard copy of the research publications of faculty members in the form of book every year

B. Promotion of Consultancy Work:

1. To develop a policy to promote consultancy work in various departments by identifying and recognizing the areas of expertise
2. To encourage the faculty to utilize their expertise for consultancy services
3. To frame the policy for revenue sharing between the Institute and the consultant (faculty/staff/external member, if any)
4. To address the grievances on the consultancy work carried out, if any
5. To take necessary steps to meet the target set for consultancy work, if any

Apart from the above, you will cooperate with the management in maintaining a high standard of integrity and morals while you are in the service of the Institution. You will report to the Principal in the discharge of your duties and refer any problems, which you may encounter in your work. However you can appeal to the Secretary if you are denied a fair chance of hearing about the problem.

CONGRATULATIONS

With best wishes
