## INDUSTRIAL VISITS

Industrial visits are integral to the comprehensive learning and growth of students, acting as a vital link between theoretical classroom education and hands-on real-world applications. They hold significant value within engineering undergraduate programs, facilitating the attainment of diverse learning outcomes and program objectives. The primary aim of these visits is to offer students a glimpse into the inner workings of companies, providing valuable insights into their future job roles upon entering the workforce. SMVITM organizes annual excursions to prominent industries in the region are organized to afford students exposure to industry dynamics and professional environments, thereby enriching their experiential learning journey.

This document reveals the process conducted by the institute to enhancing Teaching learning through industrial visit

Dear Madam,

On behalf of the Shri Madhwa Vadiraja Institute of Technology and Management, I wish to request your permission to conduct an Industrial visit to your company Manipal Technologies Limited on 28th and 30<sup>th</sup> June 2023. We are planning this project for our 6th semester students of Computer Science and Engineering. We would like to visit in two batches of forty visitors for each day. Being students of computer science and engineering, this visit would help in a better understanding of various industrial concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the functioning of the IT company. It is also part of our curriculum to conduct an Industrial visit.

Kindly grant us permission for the visit and meet your skilled employees. We look forward to a positive reply from your side.

Thank you in advance.

Yours faithfully,

Chaitra Bhat M,

### Activity Report on- "Industrial Visit-Manipal Technologies Limited"

<b>Academic Year</b>	2022-23
<b>Name of the Program</b>	Industrial Visit-Manipal Technologies Limited
<b>Date</b>	28 <sup>th</sup> and 30 <sup>th</sup> June
<b>Target Audience</b>	Third year students of CSE
<b>Number of Participants</b>	67

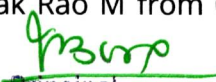

The Department of Computer Science and Engineering in collaboration with Training and Placement Department of SMVITM organized an Industrial Visit to Manipal Technologies Limited to 3<sup>rd</sup> year CSE students. This session was conducted for two days for two batches of students on 28<sup>th</sup> and 30<sup>th</sup> June.

Pre-final year CSE students visited the Commercial Printing Division of Manipal Technologies Limited (MTL). They visited the pre-press, printing and post-press divisions. The Commercial Printing Division of MTL prints books, magazines, envelopes etc. for various organizations such as BFSI, Banks, Government, Education, Pharma, Telecom and Retail sectors.

MTL has a dedicated 300,000 sq.ft. production unit for commercial production. The Public Relations Manager of MTL illustrated the colour management system used for printing and also explained the functioning of hi-tech machinery such as Komori, Heidelberg, Mitsubishi etc. Students witnessed the ongoing jobs of wide-web-offset printing in heat and cold set as well as sheet-fed offset printing for books and other products. High speed and narrow web offset presses print on various substrates.

The post press activities such as binding for books like hard case, perfect binding, saddle stitching, and finishing options like lamination, screen printing, die cutting and glitters were also explained. Students interacted with the skilled workforce to understand the process flow and production scheduling.

Ms.Dhanya Shenoy, Ms.Chaitra Bhat, Dr Sadananda L and Mr Deepak Rao M from Computer Science department coordinated this session.
