PEER TEACHING AND LEARNING

Peer teaching and learning is a valuable educational approach where students learn from and teach each other. In peer teaching students take on the roles of both teacher and learner. Builds confidence when students successfully explain a topic, they feel more assured in their knowledge and abilities. Students explaining concepts to their juniors/school students encourage participating and critical thinking will helps the students to see things from various angles.

This document reveals the process conducted by the institute to enhancing participative learning through peer teaching and learning.

Detailed Report of the Activity

Department of Electronics and Communication Engineering in association with ISTE Student Chapter and IIC had organized a Peer Learning Session on 22-11-2022 at 12:00p.m in EC012 (ECE Department).

The Final Year Students from the ECE Department were the resource persons. Ms. Sameeksha P U started her talk by sharing the experience about her internship in VI Solutions Bangalore. She briefed about NI Lab View software and application of the same. At the end of her session, she showed the project that she worked on during her internship.

The session was continued by Ms. Shreya Upendra Nayak, who did her internship from BEL, in Machilipatnam. She shared her experience of 4 weeks of internship. She discussed about the YOLO algorithm, Animal Detection and Number Plate Detection on which she worked during her internship period.

Later the session was taken over by Ms. Akshatha Renjal who is currently undergoing a research internship. She talked about the challenges faced by her during the collection of real-time data (number plate detection of a vehicle which has undergone an accident) and processing of the collected data. She told about the importance of survey and how the communication among the team members is important in completing any given task.

Mr. Adithya Prakash, 5th semester, ECE and active member of ISTE Student Chapter was the Master of the Ceremony. Dr. Sachin S Bhat, HoD, Department of Electronics and Communication Engineering was present during the event. The event was coordinated by Ms. Chandana, ISTE Department Coordinator with the support of Mr. Chetan R, Secretary of ISTE.

DETAILED REPORT OF THE ACTIVITY

Department of Electronics and Communication Engineering in association with ISTE cell conducted peer learning session on "Introduction to MainFrame Technology". This session was held on 13/11/2021, from 12:00pm to 1:00pm at the ECE department, SMVITM. Resource person for this session was Ms. Sanjeetha Shetty. She is our college alumna and currently working in Infosys Ltd. Bengaluru as a System Engineer. Around 60 Students from 2nd Year ECE participated and interacted with Ms. Sanjeetha.

Ms. Sanjeetha began the session by asking question to students about their interest towards programming and gave the information about which programming language is of prime importance in MNCs. She continued the session by explaining the importance of mainframe technology and how it is advantageous over desktop. Also she introduced Mocha software and showed how to allocate physical data set. Finally she concluded her presentation by emphasizing about internship during students education period.

Ms. Shreya M Tantry, 3rd Semester ECE student welcomed the resource person and audience. Mr. Chetan ISTE coordinator, Ms. Akshatha Rao, Asst. Professor, ECE Dept. Dr. Sachin Bhat, HoD, ECE Dept. Mr. Ferdinand, CR of 7th Sem ECE and Ms. Aishwarya ISTE Joint Secretary were present for the session. Mr. Adithya Prakash, 3rd Sem, ECE student proposed vote of thanks.

The peer learning webinar “Hakopedia – Everything you need to know about Hackathon” was organized by the Department of Computer Science and Engineering in association with the ISTE Student Chapter, SMVITM, Bantakal on 28th November 2020, from 3:30 pm to 5:30 pm for the benefit of SMVITM students.

Raunak Choudhary from 7th semester CSE delivered the welcome address. Sushmitha N from 5th semester CSE introduced the speakers. Deepak Nayak and Harikrishna R from 7th semester CSE were the speakers from X to Infinity Team.

The speakers gave an insight to the participants about what hackathons were, shared some tips for hackathons, informed about various tools that could be used in a hackathon, and answered all the questions which the participants had asked during the session. The speakers also shared their past experiences of participating in the hackathons.

The event helped the participants to have an insight about the concept of Hackathons and they interacted with the speakers enthusiastically. At the end of the webinar the vote of thanks was delivered by Avanthi V Rao from 3rd semester year CSE. Shrutha V Bhat from 3rd semester CSE was the event moderator. Bhargavram Udupa T from 3rd year CSE handled the registrations and feedbacks. Mr. Chethan R Institutional Coordinator ISTE Faculty Chapter, Ms. Sneha N S and Mr. Deepak Rao M faculty from Computer Science Department played a major role in the smooth conduction of the program.
