PARTICIPATIVE LEARNING AND LEADERSHIP

SMVITM encourages students to participate in various events, and the college has nominated the student council to actively organize activities across different domains. Many students are taking on leading roles and conducting events. Not only council members but also many students are assuming responsibilities and leading teams under the guidance of the institute coordinator in ISTE (Indian Society for Technical Education), NSS (National Service Scheme), and YRC (Youth Red Cross).

SMVITM students have made their mark. They've been nominated for the ISTE best student award for their outstanding chapter activities. Notably, students have won the ISTE Student award and contributed to the college's recognition as the Best Chapter. Students who actively participated in NSS and were involved in extension programs received the NSS Yuva Yodha Award for their selfless services.

This document highlights students' participation in various committees and their leadership roles, which led to them receiving awards.
