In establishing the Vision, Mission, PSOs and PEOs of the department, the following steps were followed:

Step 1:

Collect the inputs from various sources such as Institute Vision & Mission, Institute Core Values & Objectives, and Stakeholders to identify the key areas where the department needs to visualize and implement for its progress. Senior faculty members, staff, selected alumni, parents, employers and students put forth their expectations and aspirations in the meeting.

Step 2:

The views and identified key areas from various inputs are summarized by the Head of the Department. Later PAC and HOD scrutinize the views and frame the Vision and Mission statements for the department.

Step 3:

IQAC and Management representatives deliberate on the statements and suggest modifications, if any. The suggested modifications are included, and the statements are reframed. Approval is obtained from IQAC and Management.

Step 4

The Vision, Mission, PEOs and PSOs of the department are published and disseminated through various modes. Any remarks by viewers are noted and considered in the next cycle of revising.
