HEI Claim for metric 2.6.3

The HEI provided the following index of documents and explanation in support of its claims: SMVITM fosters a conducive teaching-learning environment, producing graduates adept at solving real-life problems. With well-established teaching-learning policies and a robust examination system, academic progress is closely monitored by mentors throughout the year. Identifying slow and advanced learners enables tailored interventions such as remedial classes for improvement and leadership roles for advanced students, ensuring holistic development. Despite the diverse backgrounds of our students, our institute achieves a remarkable 97.91% Pass percentage of students during last five years.

$$\text{Pass percentage} = \frac{\text{Total number of final year students who passed the university examination}}{\text{Total number of final year students who appeared for the university examination}} \times 100$$

Pass percentage = 97.91
