Activity Report

Academic Year	2019-20
Name of the Program	Gududeepa making competition
Date	12/10/2019
Target Audience	Students of SMVITM.
Number of Participants	30

The Extracurricular Committee of SMVITM organized the Gududeepa competition, an event aimed at fostering creativity and cultural appreciation among students. This report provides an overview of the competition, including its objectives, participants, activities, and outcomes.

The primary objective of the Gududeepa competition was to celebrate the traditional festival of Diwali in a unique and creative manner while promoting cultural diversity and artistic expression among the student community.

The competition was open to all students of SMVITM, regardless of their academic discipline or year of study. Participation was voluntary, and students were encouraged to form teams or participate individually.

Participants were given the freedom to choose their themes related to Diwali or Indian culture. Themes ranged from traditional Diwali rituals to modern interpretations of festive celebrations.

Participants were provided with basic materials such as clay lamps, colors, and decorative items to create their Gududeepa (decorated lamps). They were encouraged to use their creativity and imagination to design unique and visually appealing lamps.

A panel of judges consisting of faculty members and experts in art and culture evaluated the entries based on criteria such as creativity, originality, craftsmanship, and adherence to the theme.

Exhibition: All the entries were displayed in a designated area on campus for students, faculty, and staff to admire and appreciate. This exhibition served as an opportunity for participants to showcase their talent and for the entire campus community to immerse themselves in the festive spirit of Diwali.
