## ACTIVITY REPORT

Academic Year	2022-23
Name of the Program	Awareness talk on "Help to save a life: Donate blood"
Date	01 December 2022, 1.30PM-2.30PM
Department/Cell	NSS-YRC Unit
Resource Persons	Mr. S Jayakar Shetty, Chairman, IRCS Blood Centre Kundapur
Target Audience	Faculty, Staff and Students
Number of Participants	300

As a part of Azadi ka Amrit Mahotsav, National Service Scheme (NSS), Youth Red Cross Wing of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi, in association with Indian Red Cross Society, Udupi organized a motivational talk on "Help to save a life: Donate blood" on Thursday, 01 December 2022 in the institute premises. Mr. S Jayakar Shetty, Chairman Indian Red Cross Society Blood Centre Kundapura was the resource person.

Mr. S Jayakar Shetty, started his presentation by briefing the importance of donating the blood and mentioned that blood donation helps people to get the blood they need through transfusion. But for the transfusion to happen, there should be donors available. This is where young and healthy people come into picture where they can do blood donation. After the donation of blood, it is stored in the blood banks from where it can be given to the patients when they are in need of it. Also he said that our one donation can save the lives of up to 3 people in danger. You will be a life saver by donating just 15 – 20 minutes of your time and a pint of blood in a pain-free and easy process. You get to save their lives and your own since you will get to know more about your own body and will be able to make changes according to the need.

He mentioned that blood donation is an expression of unconditional kindness and compassion. The importance of blood donation should be inculcated in schools and colleges. It is one of the noblest and easiest good jobs anyone can do. "People should pledge to donate blood four times a year and experience the happiness of saving up to 12 lives," he added.

Department/Cell	NSS-YRC Unit

As a part of Azadi ka Amrit Mahotsav and on the occasion of World AIDS Day, National Service Scheme (NSS), Youth Red Cross Wing (YRC) of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi, in association with Indian Red Cross Society, Udupi organized an awareness talk on "AIDS-Prevention is the only cure" on Thursday, 01 December 2022 in the institute premises. Dr. Keerthi, Certified First Aid Trainer, Indian Red Cross Society, Udupi was the resource person.

Dr. Keerthi, started her presentation with the theme of World AIDS Day 2022, which is "Equalize" which emphasizes eliminating the inequalities that have slowed the fight against the disease. The inequalities, such as gender inequality, limit women's access to HIV care and other forms of sexual and reproductive health care, which in turn affects their decision-making capabilities and their capacity to decline unwanted sexual encounters or negotiate for safer ones. She shared the facts and medically accurate information about HIV & AIDS and elucidated the symptoms of HIV and treatment of AIDS. She highlighted that AIDS awareness is essential and as HIV infection is currently incurable, but one can control it with good quality education about the disease, especially in rural areas.

Dr.Thirumaleshwara Bhat, Principal; Dr.Ganesh Aithal Vice Principal; conveyed their best wishes to the program. Ms. Chandana, 3<sup>rd</sup> year CSE welcomed the gathering and compeered the program.
