Arun U,

I can do a 90 minutes workshop on **How to identify opportunities for Innovation**. I will take a local problem and do a Brainstorming workshop. Would that help? But next week is incredibly busy for me and I can do the workshop on the Week of Jan 24th.

Let me know what you think and we can talk over the telephone and work out the details.  
It might be easier if we talk on the phone, Just SMS me a time that is convenient for you and we will connect.

Best Wishes
