Dear Sir,

Subject: Request for grant of permission to visit Malpe harbour and Gangolli breakwater

The Final year (49No's) Civil Engineering students along with the faculty (2 No's) of our Institute would like to visit Malpe harbour and Gangolli breakwater on academic interest on 22 October 2019. I kindly request you to grant us permission to see the entire establishment for the purpose of their study. The list of students is duly enclosed along with this letter.

Hope you will kindly do the needful and oblige.

Thanks in advance
Yours sincerely

Activity Report

Academic Year	2019-2020
Name of the program	Industrial visit to Malpe harbor and RMC Manipal
Date	23-10-2019
Target Audience	Fourth year students of civil
Number of Participants	52

Detailed report on the activity

The EDC cell had organized an industrial visit to harbor at Malpe and RMC unit at Manipal on 23rd October 2019. The trip was organized for fourth year students of Civil engineering department. In the first trip students have visited harbor at Malpe, They have learnt type of material, size and shape adopted for the construction of break waters. Students have also learnt method of piling and concreting work for the construction of Jetties. Detailed construction of these units was demonstrated by Mr. Shiva Kumar, AEE, Fisheries and Harbor Department, Malpe and interacted with the students.

Second visit was to RMC unit at Manipal, where students have witnessed various types of aggregate storage unit, batching machine for cement, aggregate and admixture. They have learnthow concrete mix design will be conceded for normal concrete, fiber reinforced, light weight and self-compacting concretes. Later, how strength test is carried out for different concrete mix design to achieve target strength. Detailed operation of RMC unit was demonstrated by Mr. Nagesh and interacted with the students. Total 50 students from fourth year civil engineering have benefited from this excursion.
