Dear Students,

I hope this letter finds you well. I am reaching out to you with an exciting opportunity to make a meaningful impact in our community. We are keen to develop an innovative mobile application focused on blood banking, aimed at facilitating blood donations, connecting donors with recipients, and streamlining the blood donation process. We believe that you are well-positioned to take on this challenge and bring our vision to life.

The application will serve as a vital tool in addressing the critical need for blood donations and ensuring a steady supply of blood for patients in need. It will include features such as:

- User-friendly interface for donors to register, schedule appointments, and track donation history.
- Real-time notifications to alert users about blood donation drives, urgent blood needs, and other relevant updates.
- Geolocation functionality to locate nearby blood banks, donation centers, and mobile blood drives.
- Integration with social media platforms to raise awareness, encourage participation, and engage with the community.

We believe that your creativity, technical skills, and innovative thinking will be invaluable in conceptualizing and developing this application. Your involvement in this project will not only provide you with a hands-on learning experience but also make a significant difference in the lives of countless individuals who rely on blood donations for their survival.

Warm regards,

ACTIVITY SUMMARY

Student (coordinator) name: Karthik Shanbhag

USN:4MW20CS035

Title: Spreading Awareness
Activity held at: Shri Madhwa Vadiraja Institute Of Technology And Management, Bantakal
Objectives: <ol style="list-style-type: none">1) To implement the internet technology in medical to make things easier.2) To connect the blood donors and needy hospitals as early as possible using internet.3) To reduce the chance of loss of life due to delay in contacting donors.4) To reduce the possibility of unavailability of blood even though there are donors , due to delayed communication.
Description: As accidents are increasing day by day, there may be huge need of blood for the victims . At the same time there are many donors also. But due to lack of communications the needy victim may not get the blood in time and lose their life. Hence we thought to implement a internet based solution to this problem. So we developed an website in which both hospitals and donors can register. Whenever an hospital needs blood it can request the registered donors for blood and whoever willing to donate can donate. If not donor can decline the request also. Like this we can reduce the time of communication using technology.
Outcomes: <ol style="list-style-type: none">1) A web application that connects the hospitals and blood donors.2) Learnt about web development.3) Reduced chances of risk of life by using modern technology
Learning from this activity: <ol style="list-style-type: none">1) We learnt how to manage time very well.2) We learnt how to work in co-ordination.3) We learnt how to complete a task in an efficient way.4) We learnt about web development techniques.

Dear Students,

I hope this letter finds you in good spirits. I am writing to express my heartfelt appreciation for the outstanding work you have done in developing the blood banking application. Your dedication, creativity, and technical expertise have played a pivotal role in bringing our vision to fruition. The application you have created will not only revolutionize the way blood donations are managed but will also have a profound impact on the lives of countless individuals in need of blood transfusions.

I am particularly impressed by:

- Your commitment to understanding the needs of our community and designing a solution that addresses those needs effectively.
- The user-friendly interface and intuitive features of the application, which will make it easy for donors to register, schedule appointments, and contribute to this lifesaving cause.
- Your proactive approach to incorporating feedback and continuously refining the application to ensure its functionality and usability.
- Your passion for social impact and your willingness to invest your time and talents in this project are truly commendable. You have demonstrated exceptional teamwork, leadership, and problem-solving skills throughout the development process, and your efforts have not gone unnoticed.

On behalf of [Your Organization/Institution Name], I extend my sincere gratitude to each member of your team for your hard work, dedication, and commitment to excellence. You have not only created a remarkable application but have also set a shining example for your peers and future generations of students.

With deepest gratitude and warmest regards,

Academic Year	2021-22
Name of the Program	Cyber Security awareness program
Date	23 December 2021, 10AM- 11AM
Department/Cell	NSS-YRC-RC Unit
Resource Persons	Ms. Rajashree Nambiar
Target Audience	High school Students of Soorya Chaithanya High school, Kuthyar
Number of Participants	200

As a part of Community/Outreach activity, National Service Scheme (NSS), Youth Red Cross Wing and Rotaract Club of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi and Soorya Chaitanya Global Academy high school, Kuthyar jointly organized Cyber Security awareness program for the high school students of Soorya Chaithanya Global Academy Kuthyar on Thursday, 23 December 2021. Ms. Rajashree Nambiar Assistant Professor (Sr.), Dept of ECE, SMVITM, Bantakal was the resource person.

In her presentation, she said that "We are living in the digital age. Everyday a lot of transactions happen through digital and online mode. It is, therefore, absolutely necessary to be alert and careful while dealing with strangers. We should never reveal the OTPs, passwords and CVVs to unknown people. Ms. Rajashree also said that Banks never ask customers their personal details and a lot of scams are now happening through fake Facebook accounts, suspicious links from emails. Users have to be doubly careful while using apps like WhatsApp, Instagram and Twitter". She explained the various forms of cyber-crimes through videos and PPTs.

Vidvan Shambhudas Bhandary, Founder-President of the institute presided over the function. Well-wishers Deepak Kamath, Chandrika Poojary, Akshatha highlighted the significance of the event. Principal Gurudatta Somayaji presented the introductory remarks. More than 200 students including Parents, teaching staff and educationists were present on the occasion. Senior teacher Sangeetha introduced the guests. Shruthi Acharya welcomed the gathering and Deepa Mohan offered vote of thanks. Ramya Prabhu compered the program.

Dr.Thirumaleshwara Bhat, Principal; Dr.Ganesh Aithal Vice Principal; conveyed their best wishes to the program. Mr.Nagaraja Rao, Coordinator NSS coordinated the program.

Activity Report

Academic Year	2021-2022
Name of the Program	session on "She=He", Lets empower Girls
Date	27-01-2022 at 3pm on Virtual mode
Target Audience	Students
Resource Persons	Ms Laxmi Shetty, Assistant Professor (Sr.) Dept. of ECE,
Number of Participants	100

The Women Empowerment Cell in association with CICC of SMVITM organized a session on "She=He", Lets empower Girls - for Girl students of the College on 27-01-2022 at 3pm on Virtual mode. The resource person was Ms Laxmi Shetty, Assistant Professor (Sr.) Dept. of ECE, SMVITM. More than 80 students participated and benefited by the program. The program started with the explanation about the effects of comparison between girl and boy which will usually start from home. She also said that when we show our confidence in taking up any task individually our parents will allow all girls to do the things they wish to do in their life. She gave real life examples of many women who have achieved a lot in their life like Kalpana Chawla, Arunima Shina. The videos played in the session motivated the participants to do the best things in life. She also said that if we have confidence in our self then we can rise to the best level in life. The session was very much useful for the students, faculty and staff of SMVITM. Ms. Janvi V Nilekani, 7th semester, Department of Civil Engineering compered the program. The coordinator of Women Empowerment Cell and CICC, members of WEC, student volunteer's faculty and staff members were present for the session.

ACTIVITY REPORT

Academic Year	2021-22
Name of the Program	Celebration International Cancer Day-First Aid Training Program
Date	05 February 2022, 10.30AM- 4.30AM
Department/Cell	NSS-YRC-RC Unit
Resource Persons	Dr. Keerthi Palan and Dr. Suresh Shenoy
Target Audience	Students
Number of Participants	75

As a part of Azadi ka Amrit Mahotsav, On the occasion of International Cancer Day, NSS-YRC-RC Unit of Shri Madhwa Vadiraja Institute of Technology and Management Bantakal in association with Indian Red Cross Society, Udupi organized a one-day workshop on "First Aid" on Saturday, 05 February 2022 in the institute premises. Dr. Keerthi Palan and Dr. Suresh Shenoy; IRCS Certified First Aid Trainers from Udupi were the resource persons.

The hands-on workshop on First Aid was conducted for first year and second year students. The first session was taken by Dr.Keerthi Palan and she said that the skill or value on first aid and how it should be given in different situations is very essential for the students as there are many injuries occur in colleges and other places. The workshop sessions focused on the basics of first aid, and how to provide first aid in wounds, bleeding, musculoskeletal injury, burns, heatstroke, poisoning, bites, drowning, fainting, seizures and unconsciousness. All students had an experience of splinting the injured body part, providing cardiopulmonary resuscitation, and transferring the victim. There was active participation by all the students and they expressed that the workshop will be very useful for them to meet the emergencies in the colleges.

In the second session, Dr.Suresh Shenoy showed some practical demonstrations on various kinds of first aid. He told the kind of first aid that could be given in the case of electric shocks, burns, fractures, snake bites, sprains, dislocations, eye injuries, etc. Also he said that the first aim of First Aid is to save a life. The second aim is to prevent the person's

condition from worsening. The third aim is to help in the person's recovery. At the end of the training period, each participant felt or herself better equipped to help people suffering from accidents or from a sudden illness.

Dr. Thirumaleshwara Bhat, Principal; Dr. Ganesh Aithal, Vice Principal; conveyed their best wishes to the program. Mr.Nagaraja Rao, Coordinator NSS-YRC-RC Unit welcomed the gathering Dr.Subbulakshmi N Karanth Departmental coordinator, proposed vote of thanks. More than 75 students were participated in the program and get benefited.

As a part of Azadi ka Amrit Mahotsav, NSS-YRC-RC Unit of Shri Madhwa Vadiraja Institute of Technology and Management Bantakal, District Administration Udupi, Department of Labour, Udupi District jointly organized an awareness session on **"Benefits of E-Shram Card"** on Thursday, 03 February 2022. Mr. Kumar B R, Labour Officer, Udupi District was the resource person.

Mr. Kumar started his presentation by briefing the importance of E-Shram Card, Key Features, Benefits of the card and who can Register. He said that the E-Shram portal was launched by the Ministry of Labour and employment under the Government of India to form a database of unorganized workers including construction workers, migrant workers, gig workers, platform workers, street vendors, domestic workers, agriculture workers etc. He also mentioned that workers across segments can register themselves on the new portal with the help of their Aadhar number and Bank account details etc.

He mentioned that E-Shram portal is seeded with Aadhar will be used to deliver all the social security benefits of the Central and State Governments for the unorganized workers. All eligible registered workers between the ages 16 to 59 can register on the E-Shram portal and gets an Accidental Insurance cover of 2 Lacs under PMSBY from the date of issue of policy. Under E-Shram portal, the occupation of the worker is being captured to provide identity to the workers with their occupations. It will facilitate governments to devise social security welfare to all the segments of the unorganized workers. There are 30 broad sector categories activities and 190 broad families of occupations around 400 occupations it had added. The people under organized sector who is a

ACTIVITY REPORT

Academic Year	2021-22
Name of the Program	Online sessions and awareness program for high school students
Date	16 to 18 September 2021
Department/Cell	IEEE Unit and NSS-YRC-RC Unit
Resource Persons	Engineering students
Target Audience	High school students
Number of Participants	1470

As a part of "Azadi ka Amrit Mahotsav" that is 75th year of Independence Day, IEEE Student section, NSS-YRC-RC Unit of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal in association with D.I.E.T Udupi organized an event called "IEEE-EUREKA-2021 AN ONLINE AWARENESS AND INTERACTION PROGRAM" on 16, 17 and 18 September 2021 for the benefit of high school students. These are purely knowledge sharing sessions where engineering students had taken the sessions to high school students in the areas of Agriculture, Healthcare, Education, Sports, Women Empowerment and Disaster management etc in ONLINE mode. The main aim of this program is to raise the National High school literacy level by using College youth as 'Ambassadors of Education'.

The major objectives of the event are:

- To expose high school students to advanced state of art technologies.
- Motivate high school students to pursue higher studies in Science and Technology.
- Provide an opportunity for college students to interact with high school students at urban and rural schools and share their knowledge in advanced technologies.
- Encourage girl students in high schools for higher education thus promoting gender equality.

ACTIVITY PROPOSAL

Name of the student Coordinator : Kavya
Number of students Involved : 04
Academic Year : 2021-2022
Activity Title : To create an awareness about dengue and chikungunya and the prevention methods
Activity held under : Computer Science and Engineering
(Department/Cell)
Activity held at : Hanehalli, Barkur, Yedthady, Varamballi, Alevoor
Activity Dates : 09-09-2022 to 15-09-2022
Total Duration needed : 90 hrs

Title: Creating awareness about dengue and chikungunya and the prevention methods

Objectives of the proposal :

- To create awareness about dengue and chikungunya.
- To create the awareness among the people on how to prevent the spreading of dengue and chikungunya.
- To educate the people and create a sense of awareness on how to prevent or control spreading of dengue and chikungunya and tips to treat the disease by distributing pamphlets.

Background of the proposal :

Dengue and chikungunya fever is vector-borne infectious tropical disease caused by the dengue and chikungunya virus, the most common on arthropod-borne infections in human. According to WHO, the best strategy to avoid dengue and chikungunya endemic is to educate people about the disease and preventative measures. In order to create awareness India has established National Vector Borne Disease Control Programme(NVBDCP).

Description of the proposal :

We have come up with an initiative of visiting households located in the above mentioned localities to provide information regarding spreading of dengue and chikungunya by distributing pamphlets.

The pamphlet or the prototype will have information regarding on how to prevent spreading of disease by taking certain measures mentioned on the pamphlet and how to recognize or identify the symptoms regarding the disease dengue and chikungunya if the person is already infected.

Respected Sir,

Subject: Requesting to conduct awareness activity about
dengue and chikungunya

As a part of our university curriculum we need to
conduct some activity apart from technical syllabus. So as
part of this activity we are planning to conduct some awareness
program for the needy. As there is a rise in dengue and
chikungunya disease, we have decided to hold an activity to
create awareness about dengue and chikungunya in your
panchayat region. We have decided to do so by visiting
households. So we kindly request you to grant us
permission to do the above.

ACTIVITY PROPOSAL

Name of the Student Coordinator	: Manoj Bhagawath
Number of Students Involved	: 10
Academic Year	: 2022-2023
Activity Title	: Sarvada app (Updated / modified)
Activity held under (Department/Cell)	: Computer Science and Engineering
Activity held at	: Udupi
Activity Dates	: 01-12-2022 to 02-04-2023
Total Duration needed	: 100 hours

Title:

Implementation of a database system that seeks to aid employers, managers, and alike to understand relevant data regarding their employees.

Objectives of the proposal:

- Assist in providing uncluttered data, arranged as per requirements.
- Allow managers to implement changes, such as adding or deleting employee records.
- Keep a tab on the total strength of employees and make decisions based on discernable information.
- Allow managers to maintain attendance of employee.
- Allow employees to sign in and view their data.

Background of the proposal:

There is a disconnect between employers and the organizations they manage. This may occur due to lack of time and the strenuous nature of the task due to the means of data observation. This would lead to hardships in tracking inventory and employee records. This will eventually hinder growth plans as opportunities for improvement of productivity will rarely occur. However, making use of a database management system will help in looking up data in a better manner. Employees can be handled with much more ease than in previous scenarios. A database management system makes this aspect of an organization much easier to deal with.

Description of the proposal:

The project which has been taken up involves a client who seeks a working database management system that allows the user to view necessary details of employees of their organizations. Further features such as looking up certain employees and addition of new employees and the termination of records of former employees must be contrived. The Activity would also be made to be practically used and with optimal functioning.

Milestones with schedule & work plan:

Conduct the implementation of the activity with a set deadline that is estimated to finish over approximately 80 hours. Sub-teams are to be designated to handle each facet of the project.

Principal
SHRI MADHWA VADIRAJA
INSTITUTE OF TECHNOLOGY & MANAGEMENT
Vishwothama Nagar, Udupi Dist.
BANTAKAL - 574 115

Deliverables of the project:

- A finished system with features to view general data concerning employees effortlessly and take actions regarding that data.
- A report that encompasses the design, steps, and ideas implemented within the project.
- Demonstration of the finished project and its functionalities.

Title: VTU Calculator

- To aid oneself in swift assessment of one's academic performance.
- To provide easier means of CGPA and SGPA calculations for the students.
- To create awareness about calculating Engineering marks.

Description:

The project will include automated calculations of SGPA and CGPA for which the program code will be designed, developed and implemented by us.

The languages used to build this project/website include HTML, CSS and JAVASCRIPT.

Our main goal is to help students to calculate their SGPA and CGPA with utmost ease and efficiency.

Outcomes:

1. Saves time for Students in calculating SGPA and CGPA as there is no need for manual input for credits.
2. Provides accurate result efficiently.
3. User-friendly interface.

Learning from this activity:

- 1) We learnt how to manage time very well.
- 2) We learnt how to work in co-ordination.
- 3) We learnt how to complete a task in an efficient way.
- 4) We developed skills like Front-end development, identifying the user requirements and problem solving.
