The National Service Scheme (NSS), Youth Red Cross (YRC) and Rotaract Club (RC) of Shri Madhwa Vadiraja Institute of Technology and Management (SMVITM), Bantakal, under Fit India Movement organized the Talk on "Endurance Ultra Cycling" 11 October 2019 in the college premise.

Mr. Narayan Nayak, Assistant professor, Department of Mechanical Engineering, SMVITM Bantakal was the resource person for the program. Mr. Narayan Nayak has completed India's toughest 600km Brevet (a long distance endurance cycling competition) in 40 hours. In addition to participating in a large number of such competitions he is also an extremely enthusiastic cyclist who endows his fitness to the long distance that he has racked up on his bicycle.

In his address he has spoken on a number of salient points regarding cycling and ultra-cycling. He also guided the gathering by giving detailed information about how to face difficult situations in long endurance cycling without losing hope. He also shared the information about how to lead a happy and quality life by maintaining the fitness of the body.

Institutional NSS/YRC/RC Coordinator Mr. Kishor Kumar Aroor and other departmental coordinators, Heads and staff members from various departments and all the office bearers of NSS/YRC and RC were present on the occasion. The program was compered by Ms. Akshatha P Upadhya.

The Women Empowerment Cell of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, organized a training session on "Self Defense" for 2nd, 3rd & 4th year girl students of SMVITM on 7th September 2019 in Seminar Hall 3 of library block. Mr. Karthik S Kateel, CEO and Founder of Swaraksha for Women Trust® and Mrs. Shobhalatha were the resource persons. Mr. Karthik S Kateel demonstrated techniques on how women can defend herself when attacked by a stranger or group of people by making them aware about sensitive parts in human body and provided them tips through simple techniques to get dangerous situation under their control. He also suggested students not to be panic, angry, confused, run away or make the attacker angrier and not to kick or punch, instead one has to be smarter and understand the mindset of the attacker in order to select their move. He also advised students to take precautions and avoid becoming victims of kidnaps, assaults and dangerous situations. His mother, Mrs. Shobhalatha assisted him in various demonstrations related to self-defense technique. More than hundred students and members of Women Empowerment Cell actively participated in the session.

Activity Report

Academic Year	2019-20
Name of the Program	Talk on Gender Equity
Date	26/08/2019
Target Audience	2 nd year SMVITM Students
Resource person	Mrs. Laxmi Shetty, Assistant Professor(Sr), Dept of ECE
Venue	Seminar Hall 3 Library Block
Number of Participants	64

The Women Empowerment Cell of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, organized a talk on "Gender Equity" for second-year students of SMVITM on 26 August 2019 in Seminar Hall 3 of the library block. Ms. Laxmi Shetty, Senior Assistant Professor in the Department of Electronics and Communication Engineering was the resource person. The session highlighted the fact that equal ease of access must be provided to resources and opportunities regardless of gender, including economic participation and decision-making, and the state of valuing different behaviors, aspirations, and needs equally, regardless of gender in consideration with a few examples and videos emphasizing on gender equality.

The session also covered Gender Sensitization wherein students were explained about the thought of discrimination which starts right from a family member's home and continues to the organization level taking a few examples from day-to-day interactions at home and the workplace. She also created awareness about the need for gender sensitization in empowering women by providing equal opportunity (taking examples of famous personalities like Kalpana Chawla) and also about the need to educate society regarding gender equity for the development of the nation. The talk concluded by making a promise to bring change in society to eradicate gender discrimination overcome all the hurdles and develop the nation. 64 students from 2nd year engineering and members of the Women Empowerment Cell actively participated in the session.

Brief report on sessions conducted by Cluster-1

Two day Workshop on ATL Initiatives on 04th and 05th October, 2019.

V K R Acharya Memorial English Medium High School hosted a Two day Workshop on ATL Initiatives to its interested students. Students from *Government High School Haklady* and *Government Pre-University College Bidkalkatte* were also present. The session was conducted on 4th and 5th October, 2019. Student Members from Cluster – I organized this workshop with the help from Cluster In-charges. Students were given a brief idea of all the basic components used in the circuit. They also briefed about the logic gates used in the digital circuits. The complete session on October 4th was divided into three sub-sessions.

First session was to introduce the basic components generally used in all electronic projects like the Resistors, Capacitors, Transistors and Diodes and the usage of those components were explained. Students were also given some Activities and Tasks like identifying resistor values by reading colour codes and reading the capacitor values written on the capacitors.

Latitude: 13.61530
Longitude:74.69469

In the second session, Dr. Vasudev, Convener, ATL Initiatives, told the students about the importance of ATL and future opportunities for students. He also motivated students to contribute to the growth of country and to the science community by thinking innovatively and constructively. Professor also explained the need to cultivate the habit of experimental learning rather than learning through memory.

In the third Session, Students were introduced to the concept of logic gates and few circuits were designed and simulated. Few experiments related to logic gates were also conducted.

Second day, October 5th, ATL Kids were given an introduction on Arduino. Later they were divided into teams of six people and basic Arduino projects and experiments were done utilizing the lab equipment.
