

MEMORANDUM OF UNDERSTANDING

BETWEEN

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING OF
SHRI MADHWA VADIRAJA INSTITUTE OF TECHNOLOGY AND
MANAGEMENT

AND

LOAD CONTROLS INDIA PVT. LTD.

This Agreement made and entered into on this **1st August, 2023** between **Department of Electronics and Communication Engineering of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi-574115** (hereinafter called "SMVITM") and **Load Controls India Pvt. Ltd.** (hereinafter called "LOAD CONTROLS" which expression shall include its successors and permitted assignees) with its registered office at Bengaluru-560116.

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- a. To promote interaction between **SMVITM** and **LOAD CONTROLS** in mutually beneficial areas.
- b. To provide a formal basis for initiating interaction between **SMVITM** and **LOAD CONTROLS**.

2. PROPOSED MODES OF COLLABORATION

SMVITM and **LOAD CONTROLS** propose to collaborate through Industry Internship program

3. AGREEMENTS FOR INTERNSHIP COLLABORATION

Internship undertaken by the **SMVITM**, the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) will be remains to the original inventors and in the college name.

4. CONFIDENTIALITY

- a. During and for a period of one year from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party

- is received from a third party having no obligations of confidentiality to the disclosing party,
- is independently developed by the receiving party; or
- is required to be disclosed by law or court order.

5. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular internship agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

6. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire **1 year** after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

7. RELATIONSHIP

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose.

- (a) **Internship:** College will short list candidates for internships based on their performance and willingness.

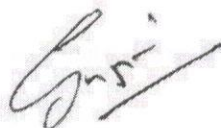

8. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

9. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

STUDENT FEEDBACK ON INTERNSHIP

Student Name: M.DEEPAK ADHIKARI

USN: 4MW20EC026

Supervisor Name: Mrs. Susheela

Designation: HR Company/Organization:

Load Controls Pvt.Ltd.

Address: No.1 & 2, Sy No 105, K.Ashwath Industrial Layout, Uttari Road, Kaggalipura, Kanakpura Road, Bangalore-560062, India.

Dates of Internship: From 21/08/2023 To 15/09/2023

Give a brief description of your internship work (title and tasks for which you were responsible):

My industrial internship at Load Controls India Pvt Ltd at Bangalore has been an invaluable experience. Working within the dynamic realm of load controls, I gained practical insights into the intricacies of the industry. From hands-on projects to collaborating with seasoned professionals, this internship has not only deepened my technical understanding but has also honed my problem-solving and teamwork skills.

Indicate the degree to which you agree or disagree with the following statements.

This internship experience has:	Strongly Agree	Agree	Disagree	Strongly Disagree
Allowed me to apply classroom theory to practice	✓	.		
Helped me to develop my decision-making and problemsolving skills		✓		
Expanded my knowledge about the corporate world prior to permanent employment	✓			
Expanded my sensitivity to the ethical implications of the work involved	✓			
Given me a chance to improve my leadership and interpersonal skills		✓		
Helped me learn to handle responsibility and use my time wisely		✓		
Helped me discover new aspects of myself that I didn't know existed before	✓			
Helped me to develop new interests and abilities	✓			
Helped me to clarify my career goals		✓		
Allowed me to acquire information and use equipment not available at my institute	✓			

What has been the most significant accomplishment or satisfying moment of your internship?

We were allowed to have hands on experience on their main project work(panel).

What did you dislike about the internship?

Didn't have hands on experience for design department

How would you rate this internship? (Circle one): Satisfactory / Good / Excellent
