Dear Students,

UniCourt Workshop 2022 - Student Registration

The workshop that will be held at our college to Understand Data Engineering and Distributed Task Processing using Microservices - Docker, Python, Django, REST APIs, Celery - Distributed task processing.

This workshop has **7 sessions and one workshop each month.**

The first workshop will happen on **August 22, 2022**

Why should you apply?

1. If you want to learn more about the trending Open Source technologies that modern Deep Tech companies like ourselves use.
2. If you like Data and want to learn Cloud-Native technologies.
3. If you like winning goodies and swags. At the end of each workshop, Swags will be handed out to select students.
4. A potential opportunity to intern at UniCourt.

Details:

1. We request students from First to Final years to register.
2. We will pick only 100 students based on the application and send them a confirmation.
3. The shortlisted students will be registered for the entire track since these workshops are meant to be progressive.
4. The registered students will get access to the workshop and they will be required to complete the prerequisites before they attend the workshop.
5. BYOD - Bring Your Own Device: Students are required to bring their own laptop so that the prerequisites and the development environment can be set up on their machine so that they can continue to try out the workshop and build applications post the session.

Dear Mam,

I have enclosed a mail of Srikanth which has 7 students who are shortlisted for the Unicourt Technical interview tomorrow. Since it is a technical interview students may be asked questions related to various domains of CS especially what is trained in Unicourt workshop last 2 sessions. Kindly guide the students as it is a good offer.

Dear Mam,

I have enclosed a mail of Srikanth which has 7 students who are shortlisted for the Unicourt Technical interview tomorrow. Since it is a technical interview students may be asked questions related to various domains of CS especially what is trained in Unicourt workshop last 2 sessions. Kindly guide the students as it is a good offer.

Good Wishes,

SMVITM
