Sir,  
Sub: - Proposal on conducting Revit MEP training program for students.

Greetings from EduCADD Udupi.

In continuation with the earlier discussions about the Revit MEP training program to be conducted in college premises we are happy to give our best proposal for the training program.

#### Mastering Autodesk Revit MEP

#### Description

In this course, students can learn about building information modeling and the tools for parametric MEP systems design and documentation using Autodesk Revit MEP. Course includes fundamental features of Autodesk Revit MEP, schematic design, system analysis and Construction, documentation, and design visualization.

#### Course Contents

##### Part 1: General Project Setup

Exploring the Revit MEP User Interface  
Creating an Effective Project Template  
Worksets and Worksharing

Multiplatform Interoperability: Working with 2D and 3D Data

##### Part 2: Revit MEP for Mechanical

HVAC Cooling and Heating Load Analysis  
Creating Logical Systems  
Mechanical Systems and Ductwork  
Mechanical Piping

##### Part 3: Revit MEP for Electrical

Lighting  
Power and Communications  
Circuiting and Panels

##### Part 4: Revit MEP for Plumbing

### DETAILED REPORT OF THE ACTIVITY

The Department of Civil engineering of Shri Madhwa Vadiraja Institute of Technology, Bantakal in association with Edu CADD Udupi, organized a "Value Added Course – Revit MEP" training in college premises on 06th February 2023 to 13th February 2023.

The Inauguration of the value added course was done by the Principal Dr. Thirumaleshwara Bhat officially by opening the Revit software on the 06th February 2023.

The Guest of the program was Mr. Bharath trainer EduCADD Udupi gave insight into the importance of learning the software to prepare students to become entrepreneurs and to increase the job opportunities by making them industry ready by bridging the gap between Industry and Curriculum. In his address, he highlighted that it is of higher priority for the civil engineers to understand the digital techniques and proper software skills to build the infrastructural development and modern machines with futuristic views.

In his presidential remarks principal motivated students to gain various software skills and college management will provide opportunities to enhance software skills. In today's market, software skills are valuable addition to students' core subject knowledge and contribute to a prosperous professional life. Dr. Deepika B V, HOD of Civil Engineering Department, Dr. Raja yatheesh, HOD of Mechanical Engineering Department were present in the Inauguration.
