Dear Sirs,

Based on the feedback shared by Vasudev sir on the training pace being slow for some students during last sem training with Zestech, we discussed this matter with our new training partner JV Global, Bangalore.

Further to our discussion, we have mutually decided to assess the students through a pre assessment test and basis their performance, group them accordingly into 3 batches as advanced, intermediate and slow learners.

The Classroom session of the Training is scheduled from 5th to 9th August 2019, 5 days. We need to conduct the pre assessment test 5-6 days in advance for the agency to assess and group them accordingly.

Hence request a date between 29th July to 2nd Aug and Lab facilities for 180 students of CSE and ECE students. The test duration is 2 hrs.

For your permission and date please at the earliest.

Good Wishes,

**SMVITM**
