Dear Sampreeth,

One small correction.... i have informed the Management that it will be Rs 1200 inclusive of taxes. Pls oblige.

The financial terms and conditions also need to be included in the MoU. Pls share a soft copy of the MoU draft so that I can go through it for our mutual agreement.

The next steps needs to be discussed with the HOD's in our meeting on Monday or Tuesday before i am able to confirm the start of the program.

Looking forward to building a symbiotic and fruitful association!

Best Wishes,

Vidya Bhat

Dear Sirs,

Please find attached details of the Zestech training schedule for the 5th sem students. The attachment contains the following:

1. Overall Module Structure
2. Day Wise Schedule
3. Batch Wise Schedule

This is for your reading. We will be having a meeting sometime to discuss the topics to be taken up in each semester.

We can discuss and finalize the topic with the L&D team of Zestech in that meeting.

The date will be notified shortly.

Dear Ms. Vidya Bhat,

This e-mail is with regard to the queries raised and the clarifications are stated below.

- Student Hit Rate:** This is the **Total number of students** who have rated the trainer on a) Trainer effectiveness in training and completing the module b) Trainer delivery methodology, whether it is excellent or good or poor, c) Training content relevance to their career. These consolidated parameters are procured through a questionnaire at the end of the session. This is an offline method of procuring feedback for certain slots in a day for each trainer depending on the trainer feedback schedule. The feedback sheet can be viewed by you which is available in the last section of the Pragnyan Course book provided to the students.
- Session Wise Evaluation:** First of all let us understand how this functions, Session Wise Assessment or SWA called otherwise is a gauging methodology utilized at ZESTECH to understand student learning capacity at the end of the session. SWA predominantly and only happens during a Quantitative, Verbal Aptitude and Logical Reasoning sessions.
 - As per your suggestion the Module Name is mentioned on the top of the sheet which gives clarity as well. Thanks for the suggestion – I have attached the reworked file too.
 - Clarity in assessment schedules:** The Session Wise evaluation score tracker is presented in such a way where "The training day" is divided into 3 slots viz. Slot 1,2 & 3. This can be noticed below the module name. As per the training schedule wherever Quantitative Aptitude sessions have happened – Batch 1 – Day 1 – Slot 1, Batch 2 – Day 1 – Slot – 2, Batch 3 – Day 1 – Slot – 3 the session wise assessment has happened, the test is evaluated and scores are tracked. Based on the same we had a doubt clearing session too the first day after all the 3 slots are done for the day. As the Day 1 and Day 2 does not have any Assessment based modules (Soft Skills) which is rather connected to the next phase or the next semester modules, and that's why it is left blank with a comment in the cell which is self explanatory.
- Day Wise Assessment:** Day wise assessment or DA called otherwise is critical gauging methodology involved in ZESTECH's training process to evaluate the student recapping and learning capacity through out the training course. DA always happens the 2nd day of the training, keeping the syllabus of 1st day's Quantitative and Verbal Aptitude session modules. This happens at the end of the day's training. So the Day wise assessment in the phase 1 happened keeping the day 1 syllabus (9 October) of Vedic Mathematics and Number Theory on 10th October 2018.

Please note: SWA is for 10 Marks and DA is for 20 marks. This is purely offline, the students can also alternatively learn and take assessments through Zlearn portal for maximising learning.

For your reference 1. I have attached the Evaluation schedule

2. Reworked SWA score tracker

Dear Sir,

Sub: Letter of Gratitude

It gives us immense pleasure to extend the whole hearted appreciation to the entire team of Zestech for conducting five day intense “Pragyan Training” programme in the month of October and November 2018 for our pre-final year students to enhance their soft skills as well as problem solving skills.

We are deeply indebted to the entire team of Zestech Global Pvt. Ltd for their keen interest in nurturing the budding engineers of our nation.

We look forward for your support in the days to come.

Thanking you,

With Regards
