Ms. Phebe Ann Samuel

Dear Alumni,

Sub: Requesting you to address ECE students

Greetings from Shri Madhwa Vadiraja Institute of Technology & Management (SMVITM), Bantakal.

As a valued member of our alumni community, we are excited to reach out to you with a request to share your expertise and insights with current students.

As part of our ongoing efforts to provide our students with valuable resources and guidance, we are organizing alumni talk focused on exam preparation strategies. We believe that your experiences and knowledge would greatly benefit our students as they navigate through their academic journeys.

We humbly extend an invitation to join us as resource person to deliver the talk on 27 November, 2018 at 03:00pm.

Your presentation can be tailored to your preferences, and we welcome any additional suggestions or specific areas you would like to cover.

Thanking you,

With Regards,

(Dr. Balachandra Achar H. V)

### Alumni Talk

Ms. Phebe Ann Samuel, alumni of the Department of Electronics and Communication Engineering, SMVITM, addressed the 2<sup>nd</sup> year ECE students on 27 September 2018. She is currently pursuing M.Tech in Power Electronics and Drives at MIT, Manipal.

Ms. Phebe shared her experience in the department of ECE during her engineering at SMVITM. She spoke out the importance of ECE branch and the subjects in it. She explained how to prepare for internal and external exams. She guided the students to approach faculties whenever they have doubts. Also she said how the faculties guided and helped her in clearing her doubts.

Ms. Phebe requested students to prepare for GATE and Aptitude right from third semester. She suggested the audience to take part in different club activities and explained how it will help in overcoming their stage fear. She also discussed about the various opportunities available for ECE students after graduation.

It was an interactive session and the students were greatly benefited by this session. All the second year ECE students of attended the program. Ms. Nivedita Hebbar of 2<sup>nd</sup> year ECE hosted the program. Dr. Balachandra Achar, HOD, presented memento to Ms. Phebe. Alumni coordinators Ms. Shareen Noronha and Ms. Rajashree Nambiar coordinated the program.

## DEPARTMENT OF MECHANICAL ENGINEERING

### ALUMNI TALK BY JAVINS AVIN DSOUZA

On 05<sup>th</sup> September 2019, the Mechanical Engineering Department organized an alumni talk in association with the Department of Mechanical Engineering Alumni cell and Placement cell.

The final year students got the opportunity to have an interaction with one of our proud Alumnus Mr. Javins Avin Dsouza, of 2015-19 batch, who is working as a System Engineer Trainee in Infosys, Mysuru.

During the 40 minutes interaction, the existing students were full of zeal to interact with their senior, Javins..

Mr. Javins mainly focused on the selection processes involved in Infosys. Speaker shared about the different rounds of selection and guided the students on how best one could prepare for the same. Topics from which questions would appear in the aptitude test were told clearly and asked the students to focus on those topics so as to clear the first round. Being from the Mechanical Engineering stream, exposure that IT field provides was also mentioned by the speaker and encouraged the students to apply for IT jobs and excel in the same.

Speaker shared his own experience that he had faced during his job interviews and gave insights on how one should appear before the interview panelists by stressing on conduct, dress code, body language, self-confidence etc., and thereby stating its importance in fetching a job. Also, the students are made to speak during the session as a part of a demo on HR interviews.

Together with how to crack interviews for Infosys, Mr. Javins also provided tips to clear Indian Army and Air force exams. The session was interactive and fruitful. He welcomed the queries of the students and answered them.

The interaction session was graced by Dr. Sudarshan Rao K, HOD, Department of ME. We all appreciate Javin's efforts in finding time to share his experiences with budding engineers of SMVITM.

Mr. Karthik V, Assistant Professor and Alumni coordinator, Department of Mechanical Engineering welcomed the gathering and introduced the speaker to the audience. Dr. Sudarshan Rao K, HOD, Department of ME, thanked and presented a memento to the Guest speaker. The program was coordinated by Mr. Kiran Bhat, Assistant Professor and placement coordinator, Department of ME and Mr. Narayan Nayak, Assistant professor and Alumni Coordinator, Department of ME.

## Alumni Talk

The Alumni Cell of Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal in association with Department of Computer Science and Engineering has organized an Student-Alumni interaction activity by Ms. Laxmitha Pai on 13 November, 2021 at 12.00PM.

She was a student of batch 2014-2018 Computer Science and Engineering. Ms. Laxmitha Pai is currently working as Cloud Associate, Niveus Solution Pvt.Ltd. Udupi. She was an intern at Dell for one year during her masters. She gave an overview of internships, its importance and also on how to select the internships. She advised not to go for paid internships where students need to pay to the company for providing internship.

She opined that, long term internship say two or more months would be really helpful over short terms internships. She also told that, long term internships may get converted into recruitment in the same company.

Mr. Venugopala Rao A.S, Assistant Professors(Sr.) welcomed the gathering and introduced speaker to the audience. Ms. Ramyashree Assistant Professor and Mr. Venugopala Rao A.S, Assistant Professors(Sr.) and Department Alumni coordinators, Department of CSE, coordinated the event. Head of the Department Dr. Nagaraj Bhat, faculty members of the department and students of SMVITM attended the event.

Dear Manohar,

Good evening.....

it's our pleasure to have you for an online alumni talk to your junior friends tomorrow morning @11:15am. I would like to take this opportunity to invite you on behalf of Mechanical Engineering Department. I will share the link and other details over whatsapp and phone call in sometime. Looking forward to see you soon. Lingaraj sir will also coordinate with you.

With best regards,

Karthik V

The Department of Mechanical Engineering in association with the Alumni cell of SMVITM, had organized an Alumni Interaction for 3<sup>rd</sup> and 4<sup>th</sup> -year students of Mechanical Engineering on 18/11/2022 from 11.15 am to 12.15 pm in Seminar hall admin block.

Dr. Sudarshan Rao K. HOD of Mechanical Engineering Welcomed the Resource person, students and faculties and Mr. Lingaraj Ritti, Sr. Assistant Professor and Alumni coordinator introduced the resource person to the attendees.

The students got the opportunity to interact with one of the renowned Alumnus Mr. Manohar J K, working as an Associate Consultant, for global delivery strategy and planning Infosys. Bengaluru.

He started his talk by showing his thankfulness towards the department and college, shared his earlier experience of how he got into the IT company, and also explained about GATE exam preparation and the importance of the same in the future for getting jobs in Government sectors. Further, he talked about the role of students in their academic careers they should emphasize more on practical knowledge, Technical skill sets such as knowledge of analysis, modeling, and automation CNC programming software and IT-related courses like Java scripts, Python, coding and at least students should know about C language to get into IT companies.

A handwritten signature in green ink, appearing to read 'M. R. R.', is written over the printed name of the Principal.

Most of the students interacted with the resource person and asked about the placement drive process of IT companies and the training process after getting jobs in IT companies, and also asked about agreements or bond policies of IT companies.

Students also asked about rescission in the mechanical field due to automation in manufacturing industries. He explained the automation in the production system and Industry 4.0 and how these recent trends are creating job opportunities for Mechanical Engineers.

The resource person also touched on the global recession in IT companies and the reason for the same and also talked about the recent layoffs of some big IT companies.

He finished his talk by saying that plenty of job opportunities were there for Mechanical students, they can switch over to IT companies or they may work in core companies as well provided they should have extra technical skill sets.

Dr. Sudharsan Rao K HOD and Mr. Lingaraj Ritti Assistant Professor thanked the resource person and invited Mr. Manohar J K to the college premises in future to guide our students.
