7.1.3, QnM	Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives Beyond the campus environmental promotion and sustainability activities	10

To sensitize the society towards prevention of environmental pollution various activities were organized by the college in the nearby places. There is a active participation of our students and faculties in organizing such programs. The NSS, environmental club and various departments conduct the programs such as beach cleaning, road cleaning, talks on environmental protection. Such kind of initiation is very much necessary among the young generation for the sustainable development.
