Dear Madam

Sub: Invitation for the seminar on Save Water and Recycle Waste .

Greetings from Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal.

I am pleased to invite you to be the resource person for the seminar organized by the Co Curricular / Extra Curricular committee of the Dept of Computer Science and Engineering on 08 February 2023 from 02 PM to 03.30 PM. On this occasion, we request you to conduct a seminar for the students of the Computer Science & Engineering dept. on **"Save Water and Recycle Waste"**.

On behalf of the Dept of Computer Science and Engineering, it is a matter of great pleasure for us to invite you to the program and to deliver a talk on the same . Kindly accept our invitation.

Activity Report

Academic Year	2022-2023
Name of the Program	Guest Talk on Save Water and Recycle Waste
Date	08-02-2023
Target Audience	Students of Second year (CSE)
Number of Participants	120

The guest talk on Save Water and Recycle Waste was organized by the Co-curricular/Extra-Curricular Committee of the Department of Computer Science & Engineering on 08-02-2023. Around 120 students from second year CSE participated in the programme.

Dr. Deepika B.V, Head, Department of Civil Engineering, SMVITM, Bantakal was the resource person.

The purpose of the talk was to give an insight about the different water conservation methods and management of the waste. The talk was arranged as a part of learning of the Social Connect and Responsibility subject of the curriculum.

Dr. Deepika B.V spoke about the importance of saving water and different methods that can be used to conserve water. She explained the difference between portable water and wholesome water. She gave an insight about sewage treatment plants and how it can be utilized in saving water. Dr. Deepika told students to implement different water conservation techniques at their home as water is an important resource for human beings.

She also gave an insight about the waste disposal methods. She explained the disposal of wet and dry waste and the importance of segregating waste.

Activity Report

Academic Year	2022-23
Name of the Program	Celebration of " World Environmental Day "
Date	5 June 2023
Target Audience	SMVITM Students
Resource person	Judges: Dr. Raviprabha, Assistant Professor (Sr), Chemistry Department, Mr. Roshan Kotian, Assistant Professor (Sr), Civil Engineering Department
Venue	Admin Block Seminar Hall
Number of Participants	60

On Monday, 5 June 2023, the SMVITM Environmental Club celebrated World Environmental day.

To mark the occasion, the club organized a speech contest on the topic "**Solution to Plastic Pollution**" for the students of SMVITM. Twelve students participated in the event with great enthusiasm. Dr. Raviprabha, Assistant Professor (Sr), Chemistry Department, and Mr. Roshan Kotian, Assistant Professor (Sr), Civil Engineering Department, served as judges for the competition.

Ms. Natasha Chrissane Lobo of II semester Computer Science and Engineering secured the first prize and Ms. Navya of IV semester Computer Science and Engineering secured the second prize in the speech contest.

After the speech contest, Mr. Sainath M Shetty and Ms. Shravya S Shetty of IV semester Artificial Intelligence and Data Science, delivered a session on "**Solution to Plastic Pollution**".

The event commenced with a payer by Ms. Keerthana followed by welcome address by Mr. Nischith Nayak, Ms. Adithi G Rao delivered the vote of thanks, Ms. Roshini and Ms. Trupthi Uday Devadiga acted as the MC for the program. Mr. Pratham L Kamath and Ms. Disha Shetty, student coordinators of the club coordinated the event.

The event was successfully organized by Dr. Sudarshan Rao K, Dean (QA) and the faculty coordinator of the SMVITM Environmental Club with the support of team leaders and members. Dr. Deepika B V, HoD Civil Engineering presented the prizes

Activity Report

Academic Year	2022-23
Name of the Program	Paper Presentation Competition
Date	11 March 2023
Target Audience	SMVITM Students
Resource person	Judges: Dr. Raja Yateesh Yadav, HoD of Mechanical Engineering, and Dr. Deepika B V, HoD of Civil Engineering
Venue	Admin Block Seminar Hall
Number of Participants	60

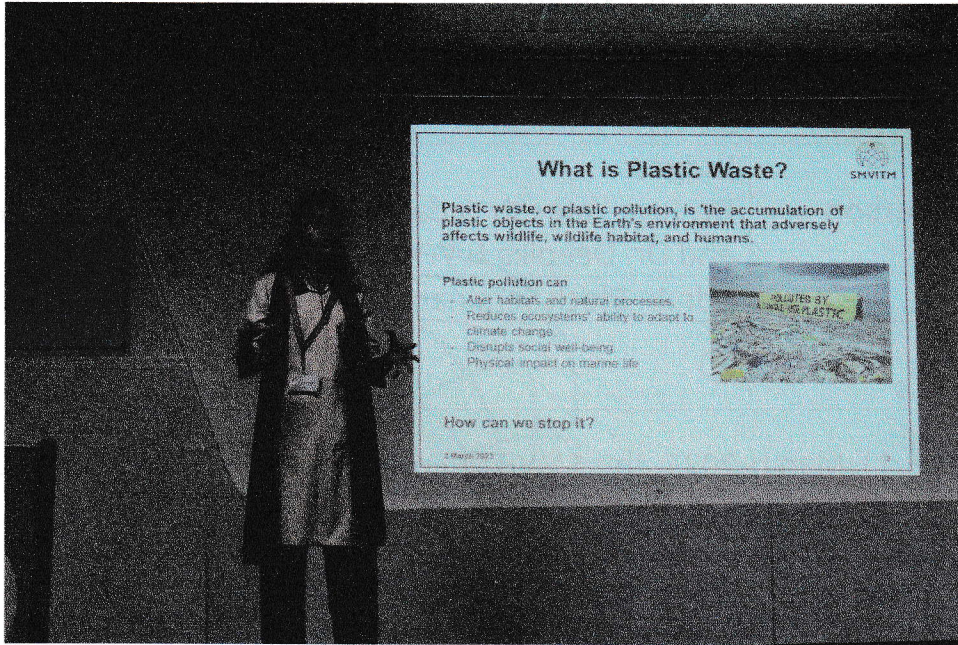

On Saturday, 11 March 2023, the SMVITM Environmental Club organized a **Paper Presentation Competition** for I and II year SMVITM students on the topic of "**Reduce, Reuse, and Recycle Plastic**". Nine teams have participated in the event and presented their project and study reports with great enthusiasm. Dr. Raja Yateesh Yadav, HoD of Mechanical Engineering, and Dr. Deepika B V, HoD of Civil Engineering, served as judges for the competition.

Ms. Vaishnavi Bhat & Ms. Nidhi Patkar of III semester Artificial Intelligence & Data Science and Ms. Rithika & Ms. Shravanthi of I semester Artificial Intelligence & Data Science were the winners of the paper presentation.

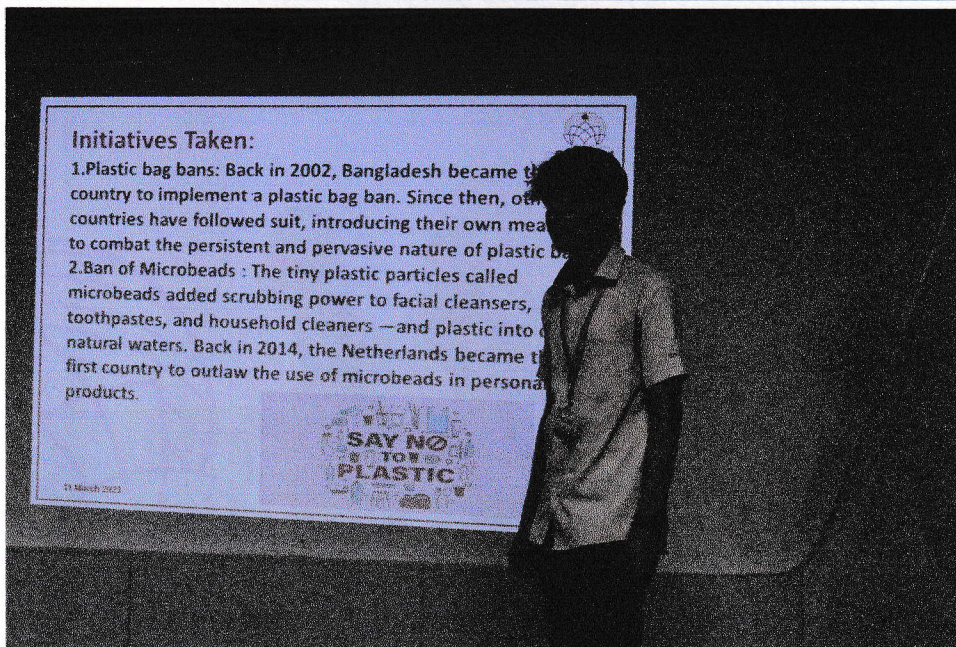

Mr. Nischith Nayak welcomed the attendees, Mr. Pratham Kamath delivered the vote of thanks, and Ms. Roshini acted as the MC for the program. The event was successfully organized by Dr. Sudarshan Rao K, Dean (QA) and the faculty coordinator of the SMVITM Environmental Club with the support of team leaders and members.

The Principal, Dr. Thirumaleshwara Bhat distributed the prize for the winners and expressed his appreciation for the organizers and the enthusiastic participants.

NSS-YRC-RC UNIT

ACTIVITY REPORT

Academic Year	2022-23
Name of the Program	Invited talk on "Issues in Marine Pollution"
Date	02 September 2022, 9AM-10AM
Department/Cell	NSS-YRC Unit and Eco Club
Resource Person	Dr. Belle Damodar Shenoy
Target Audience	Faculty, Staff and Students
Number of Participants	200

As a part of Azadi ka Amrit Mahotsav, NSS-YRC Unit and Eco Club of Shri Madhwa Vadiraja Institute of Technology and Management Bantakal in association with Ministry of Earth Sciences, Govt. of India, Vigyan Prasar, New Delhi, Karnataka Science and Technology Academy (KSTA), Bengaluru, Pilikula Regional Science Centre, Mangaluru organized an invited talk on **"Issues in Marine Pollution"** under the theme **"Clean Coastal-Safe Sea"** campaign on Friday, 02 September 2022 in the institute premises. Dr. Belle Damodar Shenoy, Principal Scientist, CSIR-National Institute of Oceanography, Vishakhapatnam was the resource person.

Dr. Damodar Shenoy started his presentation by briefing common types of pollutions which occurs in ocean like oil pollution and other one which is marine debris which include various plastic items like shopping bags and beverage bottles, along with cigarette butts, bottle caps, food wrappers, and fishing gear. He said that marine pollution is a combination of chemicals and trash, most of which comes from land sources and is washed or blown into the ocean and this pollution results in damage to the environment, to the health of all organisms, and to economic structures worldwide.

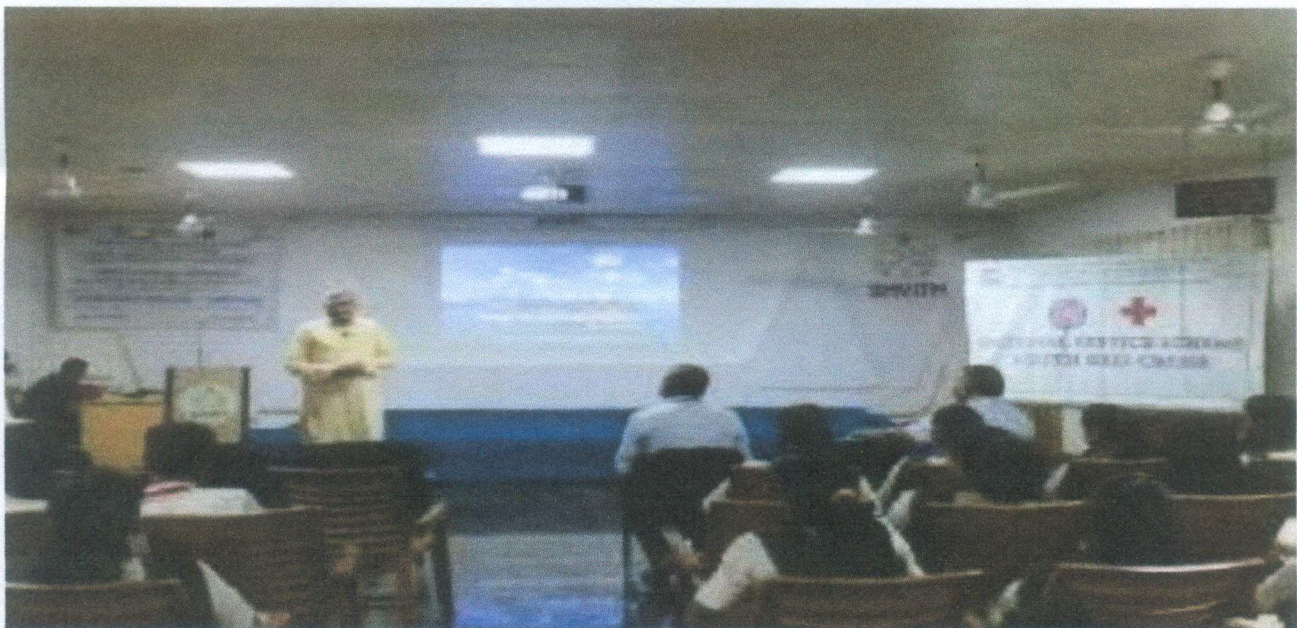

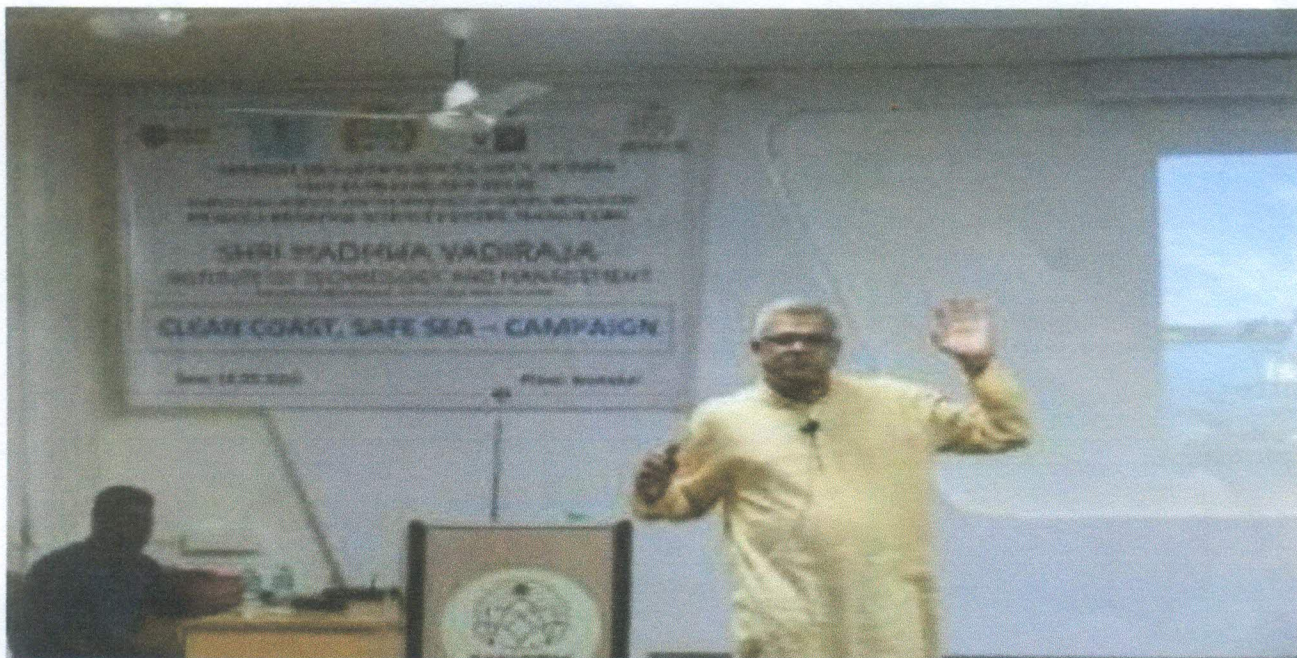

In his presentation, Dr. Shenoy explained the students that Chemical contamination, or nutrient pollution, is concerning for health, environmental, and economic reasons. This type of pollution occurs when human activities, notably the use of fertilizer on farms, lead to the runoff of chemicals into waterways that ultimately flow

into the ocean. Marine trash encompasses all manufactured products—most of them plastic—that end up in the ocean. Littering, storm winds,, and poor waste management all contribute to the accumulation of this debris, 80 percent of which comes from sources on land all contribute to the accumulation of this debris, 80 percent of which comes from sources on land.

Plastic waste is particularly problematic as a pollutant because it is so long-lasting. Plastic items can take hundreds of years to decompose. Micro plastics are plastic pieces less than 5mm in size, that are more harmful than large plastic debris. The world's oceans contain large amount of these particles, and their presence is severely affecting marine organisms. Dr. Shenoy also gave the solutions to marine pollution which includes prevention and cleanup.

Dr. Thirumaleshwara Bhat, Principal; Vice Principal, Dr. Ganesh Aithal, Dean, HODs of various departments, Faculty and Staff were present during the program. Mr.Nagaraja Rao, Coordinator NSS-YRC-RC Unit conducted the program. Ms. Supritha off first year CSE welcomed the gathering and compeered the program; More than 200 students were participated in the talk.

Activity Report

Academic Year	2022-23
Name of the Program	Celebration of International Plastic Bag Free Day
Date	3 July 2023
Target Audience	SMVITM Students
Resource person	-
Venue	-
Number of Participants	52

On Monday, 3 July 2023, the **SMVITM Environmental Club** celebrated **International Plastic Bag Free Day** in a successful event that aimed to raise awareness about the harmful effects of plastic bags on the environment. Led by Dr. Sudarshan Rao K, Dean (QA) and the faculty coordinator of the club, the event saw active participation from team leaders and members.

As part of the initiative, the club members took the initiative to prepare paper bags using newspapers. By utilizing recycled materials, they effectively transformed waste into a useful and eco-friendly alternative to plastic bags. These paper bags were then distributed to nearby medical shops, encouraging the adoption of sustainable practices within the local community.

The efforts of the students were highly appreciated by the shop owners who recognized the importance of reducing plastic waste. The initiative not only provided a practical solution to the problem of plastic bags but also helped educate the public about the environmental consequences associated with their usage. By distributing paper bags, the club members effectively demonstrated that small changes in our daily habits can make a significant impact on the environment.

The success of the event was acknowledged by the management of SMVITM, including the Principal, Dr. Thirumaleshwara Bhat. He expressed his appreciation for the club's proactive approach in organizing the event and recognized the importance of such initiatives in fostering environmental consciousness among the students and the wider community.

By celebrating International Plastic Bag Free Day and actively engaging in activities that promote sustainability, the SMVITM Environmental Club played a vital role in creating a greener and more eco-friendly environment. Their efforts serve as an inspiration for others to take similar actions and contribute to the global movement towards reducing plastic waste and protecting our planet.

Glimpses of the event

Total 10,200 paper bags distributed to Omkar Pharma Katapadi, Yashaswi Enterprises Shirva, Shambavi Heights Shirva, Vidya Medicals Shirva, Shri Durga Medicals Shirva, Modicare Medical Shirva, V2 Medicals Mooda Bettu, Neo Medicals Bantakal, Suresh Medicals Yallapur, Dharana Medicals Udyavara, Medical Centre Katpadi, Medico Medicals Shankerpura, G.M.Medicals Mulki, Vidya Medicals Shirva, Ganga Medicals Rampura Alevoor, Radha Medical Barkur, Mysore Medical Stores Udupi, Padma Medicals Padubidri, Everest Medicals, Udupi.
