

Feedback on facilities

Every department conducts class committee meetings at least twice a semester. The committee consists of selected bright and weak students, TGs/FAs and HOD of the department. Students can express their concerns/ difficulties or feedback with regard to academics and facilities. This is taken ahead by HOD for further actions. At the end of each academic year, students are required to give feedback on facilities.

The questionnaire for the facility feedback is given in the table, students have to give a grade in 1 to 5 scale:

Table 1: Facility feedback questionnaire

S. No.	Particulars
01	Classroom/Laboratory/Workshop space and overall ambiance
02	Adequacy of amenities like Furniture/Lights/Fans/Projector in Classroom/Tutorial Rooms/ Laboratories
03	Adequacy of Sufficient Laboratory Equipment/Software required for conduction of practical as per curriculum
04	Maintenance and cleanliness of Classrooms/Laboratories
05	Availability of reading room with sufficient reading space and learning resources in the central library
06	Adequacy of indoor and outdoor sport facility
07	Sufficient number of toilets for Boys & Girls
08	Adequacy of potable water & outlets for drinking water
09	Adequacy of space for Cafeteria and overall ambiance
10	Guidance to students from time to time by Training/ Placement / Personality activities conducted by Training & placement cell
11	Adequacy of backup electric supply
12	Overall Infrastructure Maintenance and Cleanliness within the campus
13	Adequate weightage/exposure given to participate in curricular/Extra - curricular activities

Feedback on facilities is also taken during graduate survey.

Students, faculty or staff can approach grievance redressal head and express their concerns and can give information with regard to facilities also. The same will be recorded and corrective measures will be taken.

Suggestion box is kept at prominent places so that students can give feedback or suggestions on facilities and academics or any other concerns, that will be opened and addressed on a regular basis.

Based on the feedback from stakeholders, facilities are made available depending upon feasibility.

Report on Students' Feedback on Facilities (2019-20)

S. No.	Particulars	Feedback Response	Actions/Remarks
01	Classroom/Laboratory/Workshop space and overall ambiance	3.81	All classrooms, laboratory and workshops are as per the university norms, sufficient lights, fans are provided
02	Adequacy of amenities like Furniture/Lights/Fans/Projector in Classroom/Tutorial Rooms/Laboratories	3.76	20 new projectors are purchased in the academic year 2019-20
03	Adequacy of Sufficient Laboratory Equipment/Software required for conduction of practical as per curriculum	3.78	All laboratory equipment are available to conduct the experiments as per the university curriculum Software and are updated annually
04	Maintenance and cleanliness of Classrooms/Laboratories	3.78	All the machines and equipment are maintained regularly and housekeeping staff do clean the classroom and laboratories daily
05	Availability of reading room with sufficient reading space and learning resources in the central library	3.88	Sufficient space is available in the library for the students and staff. Sufficient number of titles and volumes are available in the library. Every year library updated with new titles and volumes as per the university norms.
06	Adequacy of indoor and outdoor sport facility	3.22	Indoor game facility like Table Tennis, carom, chess etc., are available Volleyball court, Kabaddi Court, Basketball court are available in the campus and utilized by the students.
07	Sufficient number of toilets for Boys & Girls	3.98	Sufficient number of toilets and urinals for boys and girls are available in every floor of admin block, technical blocks, workshop, library, cafeteria and hostels.
08	Adequacy of potable water &	3.93	For drinking water, sufficient

S. No.	Particulars	Feedback Response	Actions/Remarks
	outlets for drinking water		portable water outlets are provided in the admin block, technical blocks, workshop, cafeteria and hostels. Hygiene and utmost cleanliness is taken care. This year hot, cold water dispenser is provided at cafeteria
09	Adequacy of space for Cafeteria and overall ambiance	3.24	Cafeteria provides hygiene food for day scholars and hostel mates
10	Guidance to students from time to time by Training/ Placement / Personality activities conducted by Training & placement cell	3.10	Training and placement cell regularly conducts the training for the student's skill enhancement and to assist their placements and career aspirations. Due to pandemic Covid-19 few online training sessions were conducted, may not be effective.
11	Adequacy of backup electric supply	3.85	College has adequate electric power back up (24X7 power supply) We have 2 Diesel Generators, combined 222.5 KVA power generation. UPS for back up for all computer labs and grid connected 125 KVA solar power unit
12	Overall Infrastructure Maintenance and Cleanliness within the campus	4.17	Working towards the goal for Swach campus, the dedicated maintenance and gardening team takes utmost care on regular basis.
13	Adequate weightage/exposure given to participate in curricular/Extra-curricular activities	3.03	College supports the students to participate in sports, games, curricular/Extra-curricular activities. Usually, major institute activities will be conducted during even semester, this year due to pandemic Covid-19, activities like Annual Day, Varnotsava etc., were not held.

Report on Students' Feedback on Facilities (2018-19)

S. No.	Particulars	Feedback Response	Actions/Remarks
01	Classroom/Laboratory/Workshop space and overall ambiance	3.85	All classrooms, laboratory and workshops are as per the university norms, sufficient lights, fans are provided
02	Adequacy of amenities like Furniture/Lights/Fans/Projector in Classroom/Tutorial Rooms/Laboratories	3.66	New projectors are proposed to purchase for the academic year 2019-20
03	Adequacy of Sufficient Laboratory Equipment/Software required for conduction of practical as per curriculum	3.85	All laboratory equipment are available to conduct the experiments as per the university curriculum Software and are updated annually
04	Maintenance and cleanliness of Classrooms/Laboratories	3.98	All the machines and equipment are maintained regularly and housekeeping staff do clean the classroom and laboratories daily
05	Availability of reading room with sufficient reading space and learning resources in the central library	3.83	Sufficient space is available in the library for the students and staff. Sufficient number of titles and volumes are available in the library. Every year library updated with new titles and volumes as per the university norms.
06	Adequacy of indoor and outdoor sport facility	3.12	Multi Gym facility established in this year. Indoor game facility like Table Tennis, carom, chess etc., are available Volleyball court, Kabaddi Court, Basketball court are available in the campus and utilized by the students.
07	Sufficient number of toilets for Boys & Girls	3.88	Sufficient number of toilets and urinals for boys and girls are available in every floor of admin block, technical blocks, workshop, library, cafeteria and hostels.
08	Adequacy of potable water & outlets for drinking water	3.93	For drinking water, sufficient portable water outlets are provided in the admin block, technical blocks, workshop, cafeteria and hostels. Hygiene and utmost cleanliness is taken care.

S. No.	Particulars	Feedback Response	Actions/Remarks
09	Adequacy of space for Cafeteria and overall ambiance	3.12	Cafeteria provides hygiene food for day scholars and hostel mates
10	Guidance to students from time to time by Training/ Placement / Personality activities conducted by Training & placement cell	3.59	Training and placement cell regularly conducts the training for the student's skill enhancement and to assist their placements and career aspirations.
11	Adequacy of backup electric supply	3.95	College has adequate electric power back up (24X7 power supply) We have 2 Diesel Generators, combined 222.5 KVA power generation. UPS for back up for all computer labs and grid connected 125 KVA solar power unit
12	Overall Infrastructure Maintenance and Cleanliness within the campus	4.07	Working towards the goal for Swach campus, the dedicated maintenance and gardening team takes utmost care on regular basis.
13	Adequate weightage/exposure given to participate in curricular/Extra-curricular activities	3.61	College supports the students to participate in sports, games, curricular/Extra-curricular activities This year, the institute organised VTU Mangalore zone Handball tournament Our students won prizes in intercollegiate and university level competitions
