

SMVITM STUDENT REGISTRATION

Design and Developed by

Department of Computer Science and
Engineering

Student Profile:

Once a student join SMVITM, his/her details will be entered into MIS and these details are used regularly for various academic purposes. In this Screen, you can change any information expect USN/APP no. In case of year loss, we can make the student status as Detained. Teacher Guardian/Faculty advisor have access to their students only. Some of the office staff has also the access. There is an audit as to who last updated the record and when. Student profile is created at the time of admission.
