

Activity Report

Academic Year	2022 - 23
Name of the Program	Manufacturing Processes practical classes for the students of Government Polytechnic, Kaup
Date	26, 27 December 2022
Target Audience	3 rd semester Diploma (Automation & Robotics) students of Government Polytechnic, Kaup
Resource Person	Dr. Raja Yateesh Yadav
Number of Participants	21

The Department of Mechanical Engineering, Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal has conducted Manufacturing Processes practical classes for the students of Government Polytechnic, Kaup on 26 and 27 December 2022. The second year diploma (Automation & Robotics) students of Government Polytechnic, Kaup have prepared the foundry and forging models in our foundry and forging shop. The students were found energetic throughout the sessions while preparing the models. The students are also given demonstration of moulding sand testing and electric arc welding.

Mr. Aditya Kudva, Senior Assistant Professor in the department gave brief introduction about the various manufacturing processes. Our technical staff Mr. Ganesh Prasad Sharma, and Mr. Prasad Kotian have assisted the students in making foundry and forging models.

HOD of Mechanical Engineering, Dr. Sudarshan Rao K addressed the students and distributed certificates to all the participants. This program was coordinated by Dr. Raja Yateesh Yadav, Associate Professor in the department.
