Detailed report on the activity:

The Co Curricular & Extra curricular Committee of SMVITM has conducted the Institute level Quiz, Essay & Elocution competition on Implementation of National Education Policy 2020 for students of all branches and all semesters of SMVITM on 16th & 17th December, 2022.

The program is an initiative to help engineering students to know about Implementation of National Education Policy 2020. Competitions will be conducted as per the directions of Visvesvaraya Technological University, Belagavi, under good and transparent administration scheme of Ministry of Education, GOI. Institute level winners can participate in university level competitions.

Essay: Essay competition on 'Implementation of National education policy 2020' was conducted on 16th December, 2022. Total of 36 students participated in the competition. Students participated with enthusiasm and detailed explanation of National Education Policy 2020 was seen in the manuscript. Students have understood the importance and the change which NEP 2020 could bring in the near future. Mr. Ravinarayan & Dr. Raja Yatheesh Yadav, Department of Mechanical Engineering were the judges for the event. The competition was coordinated by Mr. Manjunath, Dept. of Mechanical Engineering.

Quiz: Quiz competition on National Education Policy 2020 was conducted for students on 16-12-2020 at LH105. 30 students from various streams of engineering department participated in the contest.

The National Education Policy 2020 proposed various reforms in school education as well as higher education including technical education that has to be adopted by all educational institutions. The competition helped to create awareness about the importance of the policy among students.

The competition was coordinated by Ms. Savitha Shenoy, Dept. of Computer science Engineering.

Internal Quality Assurance Cell (IQAC) of SMVITM has organized an awareness talk on “Reorienting SMVITM for the new NEP regime” on Saturday, 02 January 2021 in the Seminar Hall of Admin Block.

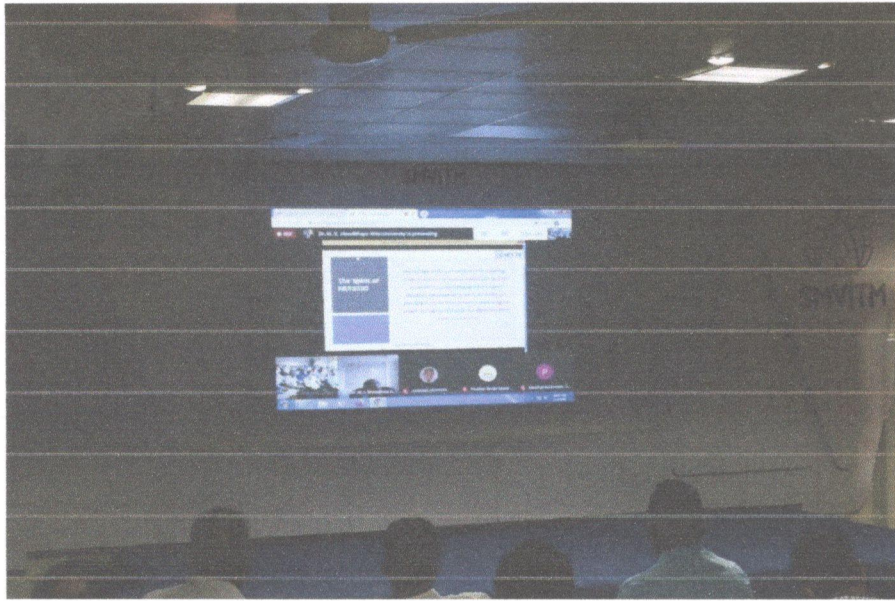

Mr. Karthik V, Assistant Professor in the Department of Mechanical Engineering welcomed the resource person, Dr. M S Moodithaya, Honorable Secretary Sri.Ratnakumar, Honorable GC members Sri. Jagdish Acharya and Smt. Ramya Srinath Koppa, who have joined virtually, the Principal, Vice-Principal, Deans, HODs and faculty members to the session. The resource person addressed the faculty members’ online using Google meet platform.

In his address, the resource person elaborated the intension of the Government in introducing National Education Policy-2020. Also threw light on the actions initiated by both central and state governments for the effective implementation of this policy. Dr.Moodithaya explained the changes that would occur in the field of higher education in next ten years. The major points discussed are governing agencies for higher educational institutions, flexibility for the students to learn the course of their choice/interest, role of HEIs in adopting themselves with the changing trends etc., The talk is more focused on how an affiliated institution like SMVITM must orient itself in-line with the changing trend. The session has enlightened the faculty members with their roles and responsibilities in this regard.

All participants were actively participated in the session and interacted with Dr.Moodithaya and clarified their queries.

Finally, Mr. Karthik V has thanked all the attendees.

Activity Report

Academic Year	2020-2021
Name of the Program	Session on " New Education Policy "
Date	24 August 2020
Target Audience	Faculty members of SMVITM
Resource person	Dr. Vasudeva , Professor and Head, Department of Computer Science and Engineering, SMVITM Bantakal
Number of Participants	62

Internal Quality Assurance Cell of Shri Madhwa Vadiraja Institute of Technology and Management had organized a session on "**New Education Policy**" on 24 August 2020 for faculty members of SMVITM Bantakal.

In the session, Dr. Vasudeva briefed about the following salient points of the New Education Policy.

The policy says that all 'higher education institutions' (HEIs) shall aim to be multidisciplinary by 2040. By 2030, there shall be at least one multidisciplinary HEI in or near every district. The policy aims for the Gross Enrolment Ratio in higher education to increase to 50 per cent by 2035 from 26.3 per cent in 2018.

HEIs shall have the flexibility to offer Master's programmes of two years for those who have completed a three-year undergraduate programme, of one year for students who have completed a four-year undergraduate programme, or five-year integrated Bachelor's and Master's programmes.

The policy says that 'high performing' Indian universities shall be encouraged to set up campuses in other countries. Similarly, selected universities – such as those from among the top 100 universities in the world – shall be encouraged to operate in India. The long-term plan as per the policy is to do away with the current system of colleges affiliated to universities. Each college would become either fully integrated into a university or converted into an autonomous and independent degree giving institution. An independent board would come to govern each higher education institution (HEI), whether college or university.

Under the policy, numerous existing tiny colleges that are pedagogically unviable and financially costly would be merged with larger HEIs. Each HEI would come to have a minimum of 3,000 students. HEIs will have the freedom to choose the mix between research and teaching as per their strengths, with the sector eventually consisting of highly research intensive institutions at one extreme and highly teaching intensive institution on the other.

All the participants were actively participated in the session.
