

CLAIM SHEET

Criteria	Criteria-I – Curricular Aspects
Key Indicator	1.2 Academic flexibility
Metric	1.2.1 Number of Certificate/Value added courses offered and online courses of MOOCs, SWAYAM, NPTEL etc. (where the students of the institution have enrolled and successfully completed during the last five years)
Weightage	15

SMVITM offers value-added courses that are designed to complement the core curriculum and provide students with additional skills and knowledge beyond their regular academic studies. These courses are aimed at enhancing students' employability, fostering personal and professional growth, and preparing them for the challenges of the modern workforce. The specific value-added courses offered at SMVITM may vary depending on the institution's focus areas, industry demands, and student interests. However, they typically cover a wide range of subjects, including but not limited to Technical Skills Enhancement, Soft Skills Development, Industry-Relevant Certifications Entrepreneurship and Innovation and Personal Development Workshops.

At SMVITM, the educational landscape is enriched by a vibrant array of Certificate/Value added courses, online courses from platforms like MOOCs, SWAYAM, and NPTEL. These offerings serve as gateways to new realms of knowledge, empowering students to delve into their passions, expand their perspectives, and unleash their innate potential. Our students have access to a diverse range of online courses offered by reputable platforms such as MOOCs (Massive Open Online Courses), SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds), Coursera, and NPTEL (National Programme on Technology Enhanced Learning). These online platforms offer a wealth of educational resources across various disciplines, allowing students to supplement their classroom learning, explore new subjects, and acquire valuable skills at their own pace.

9/13/2024

The table provide the Standard Operating Procedure (SOP) for the value added course followed by the Institution.
