Action-Taken Report on
Curriculum and Class Committee Feedback Analysis
Academic Year 2019-20

We've diligently collected feedback on the curriculum from a diverse range of stakeholders, encompassing employers, alumni, faculty, and students. Members Concerns were raised regarding the consistency and fairness of assessment procedures across different courses. We deeply acknowledge the importance of the insightful suggestions they have shared with us. Following a thorough analysis of the collected feedback, the institute has proactively undertaken specific actions in response to the valuable suggestions put forth by the stakeholders. Suggestions were made to promote collaborative learning through group projects and discussions.

S. No	Suggestions	Action taken
1	Use of Various Innovative Teaching Tools	Following innovative Teaching Tools used
2	More number of Sports activities required along with curricular activities	Following indoor and Outdoor activities
3	Introduce new courses to cater to diverse student interests and career paths.	Enrollment for online courses to develop their career knowledge
4	Organize industrial visit and internships	Students undergone internship at following industries

It was observed that many students opted for program-specific as well as general topics of interest to further their knowledge and learning, in addition to value-added courses offered by the department.
