

## 1. Prelude

Shri Madhwa Vadiraja Institute of Technology and Management is affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka. The program curriculum is as provided by VTU which is a composition of Basic science, humanities, professional courses and their distribution as core, electives with the specified objective of learning. The curriculum is formulated and reviewed by the Board of Studies (BoS) of VTU comprising a Chairman, Senior Professors of respective discipline across University and industry representatives.

National Board of Accreditation clearly defines the 12 Program Outcomes for Under Graduate Programs and every department in the institute has clearly defined Program Specific Outcomes (PSOs) articulated by taking inputs and valuable suggestions from internal and external stakeholders.

Under the affiliation to VTU, Belagavi, the Course Outcomes (COs) are defined in the syllabi and also published in college website and disseminated to all the stakeholders of the program.

Steps to identify extent of compliance of the University curriculum are as follows:-

- Course Outcomes (COs) for each subject is framed in the program curriculum provided under the affiliation to VTU, Belagavi. Slight modifications in the course outcomes are done by the course coordinator in consultation with subject handling faculty in the courses to showcase the different levels of learning.
- COs and curricular activities are mapped with the Program Outcomes (POs) and Program Specific Outcomes (PSOs).
