### Report of the Activity

This event was organized under the aegis of IEEE Student Chapter and Code Troopers Student club for the programming geeks of CSE, ECE, Mech and Civil departments of SMVITM to showcase their programming skills in solving challenging problems. The event comprised of two rounds namely **Aptipedia** and **Reverse Gear** followed by a tie-breaker round to decide the winners. All the rounds were conducted online through HackerEarth platform to make the entire event paperless as a part of **Go Green** initiative taken by SMVITM.

#### Round 1: Aptipedia

Here the participants were provided with the 30 technical as well as general logic based MCQ questions to be solved within a time limit of 30 minutes. After the completion of first round, 10 contenders were chosen to participate in the second round.

#### Round 2: Reverse Gear

In this round, contenders were expected to build their programs from the scratch for three problem statements by testing their output for various test cases within a time limit of 45 minutes.

Dear sirs,

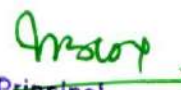

The coding event organised today went on very well. Upon evaluating the participants' codes we had a tie between three participants. We have conducted a tie breaker of half an hour and decided the winners. The details of them are as follows:

First place-- Gautam Naik, 5th semester, CSE, A section, 4MW15CS032  
Second place-- Steve Neil Martis, 5th semester, CSE, A section, 4MW15CS098

I kindly request you to intimate the prize distribution dates for the winners.
