KEYBOARD MASTER

IEEE Student Branch and CodeTroopers club organized an event called Keyboard Master on **30 September 2019** at institute premises. The event comprised of two rounds namely **Elimination** and **Finals**.

Round 1: Elimination

1. Participants will be given a PC with a software inbuilt to count the user's words per minute.
2. Participants will be given 1 minute and a paragraph to type. Number of words he/she types in one minute will be counted.
3. Top 15 participants will be selected for finals.

Round 2: Finals

1. Participants will be given an audio length of 1 minute.
2. He/she has to transcript the audio into text in 1 minute. The amount of words participants can type in one minute will be recorded.
3. Highest number of words typed in one minute will be declared as winner.

Results of Keyboard Master

First Place: Yahya Asadi (4MW17CS095)

Second Place: Mahith Hegde (4MW16CS036)
