Dear Student (in bcc)

We are organizing a Peer Learning Webinar series wherein passed-out students and final year students who are good in projects and other co-curricular activities will be sharing their knowledge and experience with their juniors. The objective is to disseminate the technical know-how, resulting in better project work, leading to participation in various contests and overall development of the department and the college.

The first episode of the series is scheduled on **Sat 03 Oct, from 2:00 pm** onwards, in which passed-out students Sumanth and Rahul Adiga will be sharing their quadcopter design knowledge. The 2nd, 3rd and 4th year ECE students shall participate in this webinar, and interact with the resource persons.

Details of Activity

The Department of ECE in association with ISTE student chapter have organized a Peer Learning Webinar series, first of its kind at SMVITM. The first episode of the series held on **Saturday 03 Oct, from 2:00 pm to 3:00pm**, in which passed-out students Sumanth and Rahul Adiga have shared their "Design of Quadcopter" knowledge to the 2nd, 3rd and 4th year ECE students and also interacted with them.

In the presentation, they highlighted mainly on the hardware needs to build the drone, difficulty in assembling the unit, battery requirements to drive the drone for 20min and application of drones. Also during interaction with the students, he said while building the drone one must focus to the application like payload lift and delivery to the destination.

The objective of the webinar is to disseminate the technical know-how, resulting in better project work, leading to participation in various contests and overall development of the department and the college. This peer learning webinar series was initiated and coordinated by Ms. Laxmi Shetty, Sr. Assistant professor, ECE department and organized under the banner ISTE student chapter. ISTE team would like to reckon the support extended by Dr. Balachandra Achar, HOD, ECE Department, for smooth conduction of this event.
