Dear Sir,

Sub: Invitation to deliver a talk on the occasion of "National Science day".

Greetings from Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, Udupi

I am pleased to invite you to deliver a guest talk on "Nano technology and its applications" for the first year students of our institution on 26/02/2021 at 3.15 pm. This session is being arranged as a part of "**National Science Day**" celebration Program for the first year BE students and to polarize the young minds towards scientific research and innovation.

I look forward to get a positive confirmation from your side, which is indeed an honor for us. I kindly request you to confirm your availability at the earliest.

Thanking You

Yours sincerely

Thirumaleshwara Bhat

Activity Report

Academic Year	2020 - 2021
Name of the Program	Celebration of "National Science Day "
Date	26/02/2021 (3.15pm to 4.30pm)
Target Audience	Faculty and Students of SMVITM
Resource Person	Prof. Dr. D. Krishna Bhat, Professor, Department of Chemistry, NITK, Surathkal.
Number of Participants	Faculty: 21 Students: 94

The Department of Basic Sciences, in association with the Student Chapter of Indian Society of Technical Education (ISTE) of Shri Madhwa Vadiraja Institute of Technology & Management (SMVITM), Bantakal had organized an invited talk on 26th February, titled '**Nanotechnology and its Applications**'. This talk was held on account of "**National Science Day**" to commemorate the discovery of Raman Effect by the great Indian physicist, Sir C V Raman.

Prof. Dr. D. Krishna Bhat, Professor, Department of Chemistry, NITK, Surathkal was the resource person. In his talk, he spoke about the simple methods nature adopted to synthesize nanomaterial, and how nano science and technology could bring about changes in the socio-economic condition of our country. He explained about the various fields in nano science and technology, which could bring in more opportunities for undergraduates, and how the nanomaterial and its allied technology could positively impact and bring forth effective solutions in the field of agriculture, medicine, energy storage, etc. He also spoke about the inventions that were made in his laboratory, and also in India, since prehistoric times.

Dr. Thirumaleshwara Bhat, Principal, SMVITM, provided a brief introduction about the program. Ms. Usha H, Sr. Assistant Professor, Department of Physics, compered the program.

Dear Sir,

Sub: Letter of Gratitude

This is to place on record our sincere appreciation for being the resource person, and delivering a talk on "Nano Technology and its Applications", as part of the "**National Science Day**" celebration at our institute on 26 February 2021.

We greatly appreciate the efforts you have put in to make this program truly successful. We look forward to your continued support and association in our future endeavors as well.

Thanking you

With Regards

Thirumaleshwara Bhat
