Dear Sirs and Maam's,

Good Afternoon! An update of the Infosys Coaching Sessions @ SMVITM campus.

A total of 96 students have responded out of the 200 students who have registered for Infosys. 64 students are interested in attending the coaching, of which 31 are from CSE, 25 from ECE, and 8 from Mech. 32 students who are not attending have shared their responses too - CSE - 14, ECE - 11, Mech - 4 and Civil - 3 students.

Request all HOD's to request the FA's to check with all students who have quoted transportation problems as the reason for not attending sessions along with the others who have not responded at all. What we plan to do is to take up classes for the 64 students who can attend on the above the mentioned dates and conduct a second batch for the rest who register later. The registration window will be kept open till 23rd September for the second batch to register.

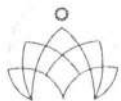

PFA 3 excel sheets for your reference

- Total students who have registered for Infosys drive
- Students attending the Infosys Coaching @SMVITM
- Students not attending Infosys Coaching and reasons.

Let me also share with you some matters finalized today after discussion with the Principal

- Coaching will start from 26th Sep, Saturday - full day, and will continue from 28th Sep, Monday to 01 Oct, Thursday - full days - 10 am to 4.30 pm. The schedules will be shared with all HOD's and trainers shortly
- The timings will be from 10/10.15 am - 1 pm and 1.30 to 4.30 pm
- The college will arrange bus transport for the students needing transportation from Udupi as the starting point. The cost of transport will depend on the total number of registrations we receive. If less than 22 students, then we can use the small college bus. The cost will be @Rs 50/day. However, if we receive more registrations, we may need to use the big bus. The charges will be shared accordingly. Shrikanth will send a form to all the students today for enquiring about transportation.
- Students coming from Kundapur/Mangalore/Moodbidri who are willing to travel can decide to stay in the hostel @Rs 150/day for accommodation and the normal charges for all meals as charged by the canteen for outsiders. Please ensure that you keep your parents informed about the same.
- For all hostel students, the arrangement remains the same.

For any queries or clarifications, feel free to contact me anytime.

SMVITM Placement Officer has invited you to **edit** the following spreadsheet

 Infosys Coaching topics and Schedule - 2021 batch

Dear All,
Good Afternoon!

First of all, a big THANK YOU from me to each one of you for graciously accepting this big responsibility and joining our team of trainers. I am grateful to you and salute you for taking this initiative for our common goal, which in the best interest of our students.

There has been some changes in the start of the coaching sessions after my discussion with the Principal today.

A total of 96 students have responded out of the 200 students who have registered for Infosys. 64 - interested in attending the coaching, of which 31 are from CSE, 25 from ECE, and 8 from Mech. So, we will be taking up the sessions for all branches simultaneously.

The Coaching will begin from 26th September, 2020, Saturday - full day (as 02 Oct, Friday is a holiday, we are compensating by making it a full day for the trainers scheduled for Saturday), and will continue from 28th Sep, Monday to 01 Oct, Thursday

The schedules will be shared with all HOD's and trainers shortly as a fresh worksheet. The timings will be from 10/10.15 am - 1 pm and 1.30 to 4.30 pm

You will be taking the sessions in the Labs or Library Block. The room details will be shared in the schedule.

This excel sheet also has another worksheet where the links for various sources of tests are shared for your reference and preparation

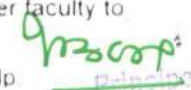

I will also share some old question papers of Infosys for your use.

Students who attend the program will be given attendance in lieu of the curriculum classes being missed in the morning.

We request the trainers to make the necessary arrangements with other faculty to shift their classroom hours to take up the coaching hours.

If you require any stationary, printouts, etc, please ask Shrikanth for help.

Dear ma'am,

I had not put up my name for analogy. Anyway I will not be able to take up any session tomorrow as I have classes. I have already told them a little about analogy and have told them what links to follow to do the same.

Kindly note that I will not be taking up the session tomorrow.
