Konkan Railway conducted training program for VI SEM MECH students in order to make them aware of the working of various engineering streams in Railways, to create awareness of the railway working in totality to create awareness of various career options available for them after they pass out from their college as engineers.

The training conducted at Konkan Rail Academy, Near Madgaon Railway Station, Salcete, Madgaon, Goa - 403707.

The training proved to be an excellent exposure to the actual working of the railways. The various techniques and instruments that are used for communication in the railways and the theory behind them was thoroughly dealt with. The Konkan railway is a life line link to all the people of the western coast who live in metropolitan cities like Mumbai and Mangalore. It has served as a business booster to many small and medium scale industries along the coast.

“Skilling Engineers for Professional Success”

Respected Sir/Madam,

Konkan Railway has started a training program for 2nd year to final year of Engineering and 2nd & final year of Diploma students in order to make them aware of the working of various engineering streams in railways, as also know the railway working in totality and various options available for them after they pass out from their college as engineers. The objectives of the program in brief are:

- **To provide a comprehensive training in Engineering and Soft Skills**
- **Technical training in working of Railways by field experts**
- **To make practical exposure to engineering working on field**
- **To provide knowledge of latest technologies and see them in action**
- **To encourage to start own enterprise as railway contractor**
- **To make better skilled for railway employment**
- **To provide guidance on recruitment in Government Sector**
- **To provide internship ranging from 15 days to 2 months**

The training program is of 7 days' duration and includes 5-day classroom training & 2-day field visit to KR site for practical exposure to field working.

The program is proposed to be held at KRA centres at Madgaon, Bhatkal and Mangalore. Program will be organized either during college session (if college agrees) or during their industrial visit days or also on 3 successive weekends.

The fee structure will be; Rs. 11,500/- + GST (18%) i.e. **Rs. 13,570/-**, which includes food & accommodation for 7 days. The DD of the above amount to be drawn in favor of **“Konkan Railway Corporation Limited”** payable at **Karwar**.

The program includes giving free training for 2 BPL category students in every paid batch of 20 students (i.e. 20+2). The same shall be confirmed with BPL certificate issued by Government and IT return filed by their parent.

To take care of safety & responsibility of trainees at the time of training & field visit, it is decided to take one faculty from concerned College for every batch for which cost shall be borne by KRCL.

The faculty for this training program will be KR officials from various safety departments & retired Railway officers for taking one session on career guidance. There would also be one session on Government and Railway Contract conditions, procedures etc.

Note: The slot for the said course may please be confirmed 2 months in advance, otherwise the accommodation charges on actuals have to be borne by the trainees themselves.
