Activity Report

Academic Year	2018 - 2019
Name of the Program	Career Opportunities in Defense Sector
Date	11 October 2018
Target Audience	75
Resource Person	Squadron Leader Mr. Naveen Amanna (retd.) Indian Air Force
Number of Participants	69

Detailed report on the activity:

A talk on “**Career Opportunities in Defense Sector**” was organized by the **Training and Placement Cell** of SMVITM Bantakal in association with ISTE Students Chapter on 11/10/2018 from 11:00AM to 12:30PM in Seminar Hall Admin Block by **Squadron Leader (Sqn Ldr) Naveen Amanna (retd.) Indian Air Force**. The speaker served the Indian Air force for 20 years between 1990 and 2010.

In his talk, Mr Naveen highlighted the requirements and the physical fitness, mental fitness, self-motivation and academic percentage criteria to join the Indian Air Force. He further discussed the opportunities for engineers in the defense sector in general.

He went on to talk about the roles that engineers play in the Indian defense sector, sharing his experience on how engineers maintain weapons, starting from small rifles to heavy artillery. He mentioned the importance of communication, individual and team spirits, ability to perform under intense pressure and reacting positively in any situation

He also talked about eligibility criteria, including physical as well as psychological fitness to take on-the-spot decisions. He also talked about SSB (Service Selection Board), and explained the registration process, selecting either permanent or short-term commission services.

The faculties of the Mechanical Engineering Department along with 69 students of final and pre-final years attended the session. The students interacted with the resource person and gained clarity on several aspects pertaining to serving in the Indian Air Force.

Mr Karthik V and Mr Manjunath S Asst. Professors, Department of Mechanical Engineering welcomed the gathering, introduced the speaker to the gathering, and proposed the vote of thanks.

Professor and Head of the Department of Mechanical Engineering Dr. Sudarshan Rao K welcomed the speaker formally and honoured him at the end of the event. Mr Lingaraj Ritti and Mr Manjunath S Asst Professor, Department of Mechanical Engineering coordinated the event.

Activity Report

Academic Year	2018-2019
Name of the Program	T.I.M.E - Talk on Competitive Exams
Date	23 October 2018
Target Audience	7 Sem students
Resource Person	Mr Ganesh Hebbar – TIME Institute
Number of Participants	21

Report of the Activity

Mr. Hebbar started the talk with the question of Why....the need for Higher Education, how important it is to study further in a professional life, whether to go for higher education soon after Engineering or a couple of years down the line or five to ten years down the professional lane.

He shared the various options one can do after Engineering – MTech/MS/MBA in India or Abroad and which competitive exams one needs to give to get seat for each of these study options, thus introducing the topics of GATE, GRE, GMAT, TOEFL, CAT, etc.

He emphasized how a technical education like Engineering is useful for giving a strong foundation with its focus on reasoning and logic which is not seen with the non-technical lines like BCom, BA, BSc, etc. Today engineers can be found even in non-engineering fields like Banking, postal department, etc.

It was important to pursue higher education in a well-recognized university and highlighted the advantages of doing it in a renowned university like the IISc, IIM's, IIT's etc.

Sharing information on each competitive exam like GATE, he highlighted the cut off percentage to clear the exams and emphasis on preparing for GATE a year in advance at least through a thorough understanding of the GATE test patterns, doing mock tests, in Engineering Maths and Aptitude and core subject focus. He said at least 2-3 hrs every day practice is important to prepare for GATE.

While GRE preparations can be less stringent as they were held regularly throughout the year, he mentioned that the GRE scores were important to get into a foreign university a score of anywhere above of 300 is a good score out of 340. It was also possible to get seat in a foreign university through less scores but job prospects could get challenging he warned.

Identifying the right University and college to specialize in and being focused on the topic of specialization was important. He also shared the importance of English through the TOEFL exams for getting a seat in any foreign university for MBA and MS programs.

Lastly, he emphasized that MBA was important if the student aspires to be an entrepreneur. This course whether abroad or in India helped to manage different facets of a business and defined the different areas of specializations and best colleges across India to do an MBA

Activity Report

Academic Year	2018 - 2019
Name of the Program	T.I.M.E. talk Higher Education in India –MBA and MTech, GATE, CAT, MAT,
Date	19 March 2019
Target Audience	6 th sem students
Resource Person	Mr Ganesh Hebbar and Mr. Ashwin Raj
Number of Participants	110

Detailed report on the activity:

The T.I.M.E. talk on competitive exams for Higher Education in India –MBA and MTech, GATE, CAT, MAT, etc. on 19 March 2019 for students of 6th semester across all branches.

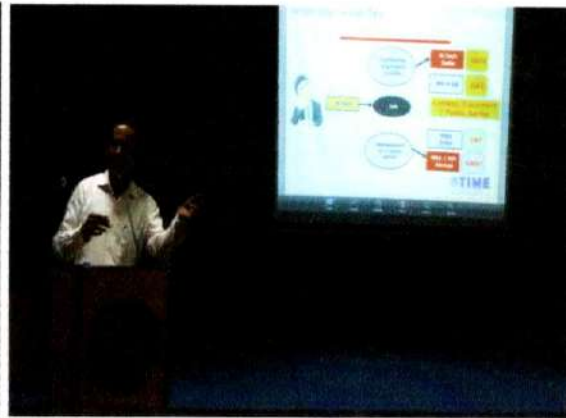

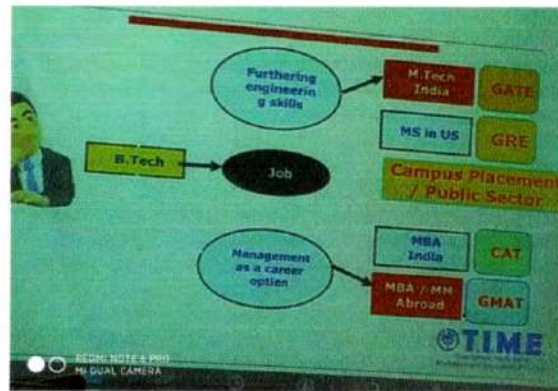

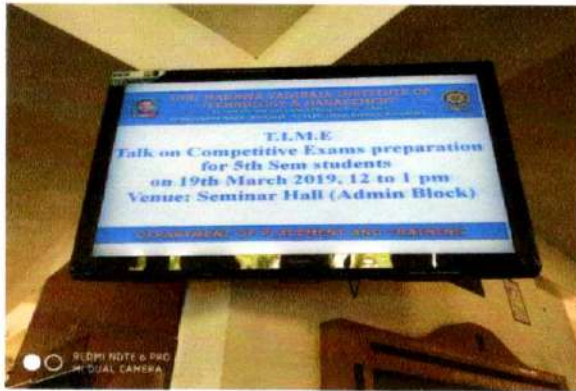

The talk was held at the Admin Block Seminar Hall from 12 noon to 1 pm

Mr Hebbar started the presentation with popular B Schools of India where one can do their next step in education.. Career guidance about the different areas of Higher Education and competitive exams that one needs to clear and Government PSU job opportunities for which GATE exam preparation is very important was shared. He emphasized the need for proper planning of time schedules for the preparation of any competitive exam and said that a period of 1 year is minimum to start preparing. Last minute efforts will not be helpful keeping in mind that students are also looking for scholarships and loans and a good grade will be helpful in getting higher scholarship amounts.

The time of the competitive exams each year, the duration and kind of assessment topics, the expectations of different universities for Higher studies abroad, and how to prepare were all shared with the students which was very helpful

Sub: Letter of Gratitude

We deeply appreciate your efforts to enlighten and motivate our students through your talk on "Preparing successfully for competitive exams" held on 19 March 2019 at our Institute premises.

We sincerely express our gratitude for your immense support extended to make this program worthy and knowledgeable.

We look forward for your support in the days to come.

Thanking you,

With Regards

Thirumaleshwara Bhat
