Detailed report on the activity

The Career Guidance Talk Series By Kiran Hebbar Director, KH Designs Pvt. Ltd., Bengaluru On “Opportunities for Mechanical Engineers in the 4th Industrial Era.” for the 6th semester Mechanical students On 02 April 2019 . KH Designs is the authorized training partners for Siemens,India

He started off with the issues of what skills students lack which is affecting their employability. He talked about the challenges, the opportunities and the skills required to equip students to get employed gainfully. He spoke about how the 1st to 4th industrial era is affecting manpower, job opportunities, technology and life in general. He talked about trends in various sectors that were affecting the Manufacturing sectors including automation, medical, aerospace, consumer, climate, etc.

He spoke strongly about how automation and mobility are disruptions that have changed the way one works from a century ago. The example he shared was unmanned vehicles. The different parts of such a vehicle, scope for employment in the automotive sector, job cuts and losses of this sector

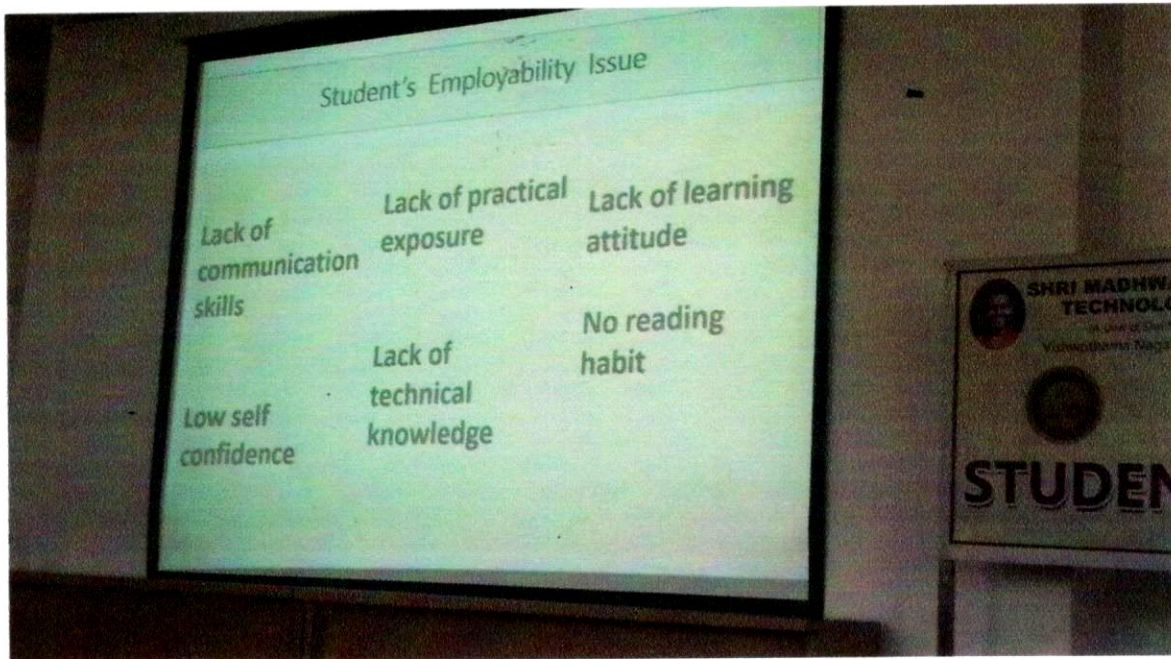

He also spoke about the Medical sector - how miniaturization and mobility is changing the functionality of machines, making them nano and more compact, be it an ultrasonic machine or an ECG machine.

Sharing information about new trends in the Aerospace sector, he cited the case study of Airbus, where with the new technology, sales of Airbus slumped, leading to them scrapping the sale of their super Jumbo jet.

Dear Sir,

Sub: Letter of Gratitude

Thank you very much for delivering the very informative and motivating talk as Guest Speaker on "**Opportunities for Mechanical Engineers in the 4th Industrial Era.**" to our pre final year students on 02 April 2019 at our Institute. It was an honor to have you as a resource person.

I am sure the information you have shared has created awareness of the plethora of opportunities which will benefit the students as they chalk out their career plans in the days to come.

We know your time is precious and we appreciate the valuable time you have spent with us today.

We look forward for your support in the days to come.

Thanking you,

With Regards

Thirumaleshwara Bhat
