Respected Sir/Madam,

It is a highly known fact that, placements play a very crucial role in any student's career. Most of the students fail in campus interviews not because of lack of skills, but lack of proper guidance towards campus placement preparation.

to help final year and pre final students preparing for their campus interviews, Anil kumar H has come up with FREE 1-day intensive technical workshop on “TIPS TO CRACK THE CAMPUS PROGRAMMING INTERVIEW”. This workshop is aimed at guiding the students to prepare more in less time for any campus recruitment drive. This programme is part of the CSR (Corporate Social Responsibility).

Hope you would be interested in joining hands with us to bring in a change to the society through quality education and employment through campus placements.

The event will be scheduled in your college premises .To conduct the workshop in your college call to 9742274247 or SMS <PLACEMENT Your\_College\_Name> to 9742274247.

Please find the attachment regarding the topics to be covered for the workshop.

Benefits of the workshop :

- Most important C programming questions for the interview.
- Tips to solve various Objective questions.
- Tips to crack Group discussion (GD) and HR round.

Dear Anil,

I am confirming the 1 day workshop for 29th Sep, Saturday from 9 am to 4 pm.

It will be a technical workshop on C for all interested students titled "Sharpen your axe with C".

Pls share the content for the full day workshop as I need to prepare a draft for the Management to justify the full day program.

Looking to build a long and fruitful association!

With Warm Regards,
