Activity Report

Academic Year	2020-21
Name of the Program	Co - Cubes Assessment - Orientation
Target Audience	VII sem students - all branches - 318
Type	Virtual talk
Date	05 October 2020

Detailed Report of the Activity

Aon Co Cubes conducted their orientation on the 7 Diagnostic tests and the final Assessment Test on 01 Oct for the 2021 Batch students who are in th 7th sem. This orientation was for all students of 7th sem across all branches to help them get more options for getting placed based on their performance. This was done online

The details of the 7 tests are shared below. The EAT - Employability Aptitude test was used as a practice test for TCS which was helpful to all the students.

Diagnostic Career Test Program is a scientifically designed program. This is intended to periodically measure the employability and progress of the students at the Institute/University based on Industry standard parameters. Thus, giving the Institute an insight into critical gaps in development, the core value of this program is to accurately diagnose training needs and conduct post training assessment to measure effectiveness and track progress.

CoCubes Test (PRE-ASSESS) is a standard Assessment recognized by Industry. Several companies use sectional and total scores achieved in this as a parameter in their recruitment process. This offering helps increase corporate opportunities available for the students in final year.

Dear Students,

Principal

SRI MADHWA VADIRAJA
INSTITUTE OF TECHNOLOGY & MANAGEMENT
Vishwothama Nagar, Udupi Dist.
BANTAKAL - 574 115

Hope this email finds you healthy and safe!

This year we have decided to go with Co-cubes for extending the channels of job opportunities in addition to what the Placement Cell offers

An Orientation program for creating awareness of the structure of Diagnostic and Assessment test, scope for each branch, benefits,etc is being organized by the TP Cell **on 05 October 2020, from 3.30 pm to 4.30 pm**. Post the orientation, the following steps need to be followed

- Interested students can first make the payment through NEFT - Rs 1550/student valid
- NEFT Details -

   Account name: Shri Madhwa Vadiraja Institute of Technology and Management
   Bank: HDFC Bank
   Branch: Shirva
   Account No: 50100303818541
   IFSC Code: HDFC0009540

- The receipt of NEFT payment should have the following format - example: **SHRIRAKSHA CS049 Cocubes**
- Then register using the link for the Cocubes test by 06 Oct 2020.
- Link - https //docs google com/forms/d/e/1FAIpQLSdJ4zQ872v1JkwkyGSCMF2O847EeJLj5cWb0Tmyt vcqVpDmAQ/viewform
- Use the days in-between to prepare for the tests.
- We plan to start the 7 diagnostic tests from 15 - 19 October - 2hour tests/day for 4 days
- Final Assessment Test of 3 hours to be scheduled for 20/21 October 2020.
- These tests are designed to help you prepare for TCS too. Hence useful before the TCS online tests starting 24 October.
- PFA Cocubes brochure, Schedule, and syllabus and pattern for your reference.
- NOTE that Only students who make the payment in advance and then register with their receipt details through the link shared will be considered.

All students of all branches are encouraged to attempt this test especially the Civil and Mech students as the opportunities for these is much higher through Co-cubes.

The following details are shared for your understanding.

Diagnostic Career Test Program is a scientifically designed program. Benefits of The Program:

The program for the final year students consists of 7 DCT's and 2 CoCubes Test. Following are the benefits of the program:

- First part is Diagnosis Career Tests, which gives the students and college the feedback on the training need analysis. The consolidated report for college would be generated, considering all the students who have participated. Our team would then discuss the report with College Placement Team and Students, to ensure they understand their key areas to focus and develop their skillset.
- The second part would be the CoCubes Test. This is a 3 hour test, which would assess students on industry relevant topics, which are used for hiring. Once the candidate takes CoCubes Score, they would receive a detailed 16 page report which includes Job Fitment Report, Skill Gap Analysis Report, Psychometric Analysis Report, Job Health Card, In- Depth Report on required improvements and Competency Report. Along with this, there would be a consolidated report for the college team, for further evaluation. Based on the scores achieved in CoCubes Test, students would be getting placement opportunities.
- The Number of Diagnosis Career Tests would vary for MBA/MCA/B.E , please refer to the Deliverables for BE-MCA and MBA.xlsx attached with this email.
- The automation in every field has increased the requirement of coding for almost all the branches of Engineering. Widely used Python is available along with C, C++,C#, Java for testing their coding skills.
- CoCubes Test score would serve as the initial level of shortlisting for most of the companies that hire through CoCubes. Getting a better score will make the candidate available for opportunities with higher package and dream job role.
- Once the candidate is assessed, the students has to improve on the drawbacks that are mentioned in the report. Once the student is industry ready, they would be in a position to compete in the interviews through CoCubes or Via Campus.
- The virtualization of hiring process has urged the educational institutions to provide their students with the relevant knowledge. Our assessments would give them an idea of online assessments, and thus making them ready for the interviews.
