Detailed report on the activity

An Alumni Talk with the 7th semester CSE and ECE students of our college was held on 29th Aug, 2018 at the Seminar Hall 3 of the Library Block.

Sandesh Kumar is an alumni of this college who passed out in 2015 and is currently working in Robosoft Technologies as a Senior Software Engineer.

He started the talk with a orientation of Robosoft, the company, the products and services, the technologies they work on, the clients and briefly the kind of work done for some of the clients , the culture and job prospects.

Sandesh also talked about his story, the struggles he faced, the preparations he went through while on campus for campus drives that he attended and the lessons he learnt.

He emphasized on the training for new joinees and detailed out how rigourous it is. He added that working in such an environment is tough but the learning curve is high. He also mentioned the importance of taking the initiative to learn on the projects given which would be helpful as a fresh hire.

Rules of Success

The way to real happiness
is to get rid of your unnecessary
fears and insecurities,

Stop worrying about things
not in your control

Clear that suspicious mind
of all doubts.

And you will be happy!

Dear Sandesh,

A big thank you for coming here to college today and sharing some valuable nuggets of information with our students.

We request your help to conduct a mock test from old test papers so that they can prepare better to join Robosoft.

Keep in touch and let me know how we can help each other and the students to excel technically.

God bless you!
