Name of the Program	Konkan Railways Orientation for SEPS program
Date	02 December 2022
Target Audience	5 <sup>th</sup> and 7 <sup>th</sup> sem students of ECE, Mech and Civil Engg
Resource Person	Mr. Wilson Vaz & Mr. Shridhar Avabrath, Senior Trainers, Konkan Railways Academy, Goa
Number of Students took part in training	70

### Detailed report:

A talk on the SEPS – Skilling Engineers for Professional Success was taken up by two senior trainers of the Konkan Railway Academy, Mr. Wilson Vaz and Mr. Shridha Avabrath. The orientation was held at the Admin Block Seminar Hall

Konkan Railways organize exclusively for the engineering students from Civil, Mechanical, Electrical, Electronics, Automobile and Computer Engineering disciplines. The program is intended to give practical training of various engineering streams in railways and get the students acclimatized to latest technologies and actual ground working. Field experts with years of work experience behind them, take sessions in the program. The program takes the students beyond theoretical levels.

The program involves 5 days of classroom training at our Academy at Madgaon, Goa plus additional days for field visit. The field visit on KR route is of 2 days and in case the students are interested in visiting the work site of KRCL at Chenab river in J&K State (for civil engg students), the duration of field visit is 6 days. After the program, the students can undergo free internship at various departments/locations in KRCL, if they so desire.

Mr Vaz spoke about Konkan Railways and the reasons why it is a great place to start their careers. There was scope for ECE students in the signally and biometric systems of the Railways, while the scope for Mech students was in building of coaches, engine's, etc with the Make in India project. Tunnelling works, ROB, RUB, building constructions, track constructions, etc was the scope for Civil Engg students. He spoke of Mega Infrastructure Projects taken up by the Konkan Railways and the strength of Konkan Railways as a great employer

Mr Avabrath spoke about the various innovations like Anti-collision devices, sky bus, automatic coach washing systems, RORO systems, etc and explained of the various activities of the training program and collaborations. He spoke about the content of the SEPS program, the cost, the career options, salaries and outsourced projects and how these can provide scope for employment.
