Activity Report

Academic Year	2019-20
Name of the Program	"How to solve the CAT puzzle" By TIME
Target Audience	VI Sem students
Number of Participants	24
Date	30 September 2019

The T.I.M.E. talk on "**How to solve the CAT puzzle**" on 30 September 2019 for students of 6th semester across Civil Mech branches.

Mr. Ashwin Raj started the presentation with popular B Schools of India where one can do their next step in education. Career guidance about the different areas of Higher Education and competitive exams that one needs to clear and Government PSU job opportunities for which GATE exam preparation is very important was shared. He emphasized the need for proper planning of time schedules for the preparation of any competitive exam and said that a period of 1 year is minimum to start preparing. Last minute efforts will not be helpful keeping in mind that students are also looking for scholarships and loans and a good grade will be helpful in getting higher scholarship amounts.

The time of the competitive exams each year, the duration and kind of assessment topics, the expectations of different universities for Higher studies abroad, and how to prepare were all shared with the students which was very helpful

Dear Sirs and Maams,

Storm Overseas is an overseas Higher Education consultant from Mangalore who are promoting Italy as a Higher Education destination for Engineering students as it is much affordable than many western countries.

This country has opened its University doors to India around 3 years back and we would like to hold orientation sessions for the 6th sem students as per their Placement hours allocated in the timetable. We would also like to include interested 8th semester students for this talk.

Hence, request your support to allow the 8th sem interested students to attend this program. The details of this program is outlined below

Audiences: 6th Sem (Attendance will be considered as part of Placement Hour) & 8th sem interested students

Time - 12 noon to 1 pm

Venue: Seminar Hall, Admin Block

19th Feb 2020, Wednesday : CSE and ECE students

20th Feb 2020, Thursday: Civil and Mechanical students

Resource person: From Storm Overseas, Mangalore.

Schedule as per Placement Timetable: https://docs.google.com/spreadsheets/d/1FV_Gou2XzksB99tm1gLkwgALmSTq0idYUZNeB8Cees/edit?usp=sharing

GATE Exam preparation for 6th sem Mech and Civil students

A talk on GATE Exam preparation for 6th sem Mech and Civil students Talk by Ananth Pai

Ananth Pai, has shared some insights and strategies for preparing for the Graduate Aptitude Test in Engineering (GATE), specifically tailored for 6th semester Mechanical and Civil Engineering students. The GATE exam opens doors to a multitude of opportunities, including higher education, research fellowships, and prestigious job placements. So, let's dive in!

Preparation Strategy:

Know Your Syllabus: The syllabus for GATE is vast, but understanding it thoroughly is crucial. It's categorized into General Aptitude, Engineering Mathematics, and Core Subject Topics. Spend ample time familiarizing yourself with the syllabus.

Study Material: Invest in quality study material. Recommended textbooks, online courses, and lecture notes can serve as valuable resources. Make sure to refer to standard textbooks and reliable online sources.

Time Management: Time management is key to success. Create a realistic study schedule that allocates sufficient time to each subject. Prioritize topics based on weightage and your proficiency.

Practice Regularly: Practice is the cornerstone of GATE preparation. Solve previous years' question papers and take mock tests regularly to gauge your progress. Analyze your mistakes and work on improving your weak areas.

Revision: Don't underestimate the power of revision. Allocate time for regular revision sessions to reinforce your understanding of key concepts and formulas
